Kiltless Athlete
Tickles Royalty

BRAEMAR, Scotland (AP)—Wrestler John Bland qualified as the most embarrassed man in Britain Thursday when he lost his kilt in front of Queen Elizabeth II and four other members of the royal family. The incident occurred as 25-year-old Bland, a middleweight, tossed his opponent in the annual open air Highland Games.

The queen burst out laughing. Princess Margaret smiled. Prince Anne rocked with glee. Prince Charles giggled. The Duke of Edinburgh grinned broadly.

Bland wore closefitting plaid underpants.

MEXICO CITY (AP)—The biggest battle ever planned against malaria was launched today throughout Mexico, where 24,000 people die of the disease yearly.

An army of 10,000 doctors, nurses, technicians, sanitary officers, sprayers, drivers and control groups including army officers will travel in thousands of jeeps, trucks, planes, launches and by muleback. Its weapons include tons of insecticide, thousands of sprayers and field laboratory equipment.

So great has been the increase in traffic on main highways that most of the hotels in the country continue to enjoy their heavy patronage of tourists.

Mission to Suez
Labeled Failure

CAIRO, Egypt (AP)—The Menzies mission has failed up to now, it is reported, and the next moves in the deepening Suez Canal dispute that may mean peace or war are up to Washington and London.

Both Egyptian sources close to the government and Western diplomats in London reported Thursday night a deadlock in the talks between the five-nation committee headed by Australian Prime Minister Robert G. Menzies and Egyptian President Nasser.

Menzies was said to be waiting for some word from Washington and London that might yet salvage his mission.

The informants said Nasser has refused to accept the 18-nation plan for international operation of the 103-mile waterway.

A source close to the Egyptian government said the viewpoints of Nasser and the committee "run in parallel channels with no possibility of being reconciled."

This source declared that only intervention by the United States can prevent use of force now by Britain and France.

THE U. S. STATE Department had no comment on that assertion. There was, however, unofficial speculation in Washington that Egyptian talk of "U. S. intervention" was aimed at driving a wedge between the United States and its allies.

Along that line, the Cairo correspondent of the London Daily Mail explained:

"Responsible Americans have, I understand, made it clear in Cairo that if Britain and France took military action it would lead to a rift in the Western alliance. This sort of talk appears to have given great encouragement to the Egyptians."

The five-nation Suez Committee, made up of Australia, the United States, Iran, Sweden and Ethiopia, sat tight lipped on the

Astronomer Sees 'Canals'
As Planet Mars Approaches

By THE ASSOCIATED PRESS
A Japanese astronomer today reported seeing several "canals" in the northern hemisphere of the planet Mars—under close scrutiny by star gazers around the world.

The existence of such canals long has been the subject of great debate among astronomers.

They were first reported seen many decades ago, but other observers who have spent a lifetime at telescopes failed to catch a glimpse of them.

The great question concerning the canals, assuming they do exist, is whether they are arteries such as waterways devised by intelligent beings or some kind of natural phenomena.

The latest report came from Dr. Ichikazu Onishi of Kobe, Japan, who like many other astronomers in recent weeks has concentrated attention on Mars during its closest approach to the earth since

new turn of events. But Western diplomats in London reported Nasser had turned down the committee's proposals and said his rejection appeared to be flat and final.

The Egyptian President has maintained firmly that Egypt has the right of sole control over the canal. He announced the nationalization of the Suez Canal Co. July 26 but has said the waterway will be kept open to all shipping. He is reported willing to give treaty guarantees to that effect. But he refuses to accept anything smacking of international control.

One Egyptian informant predicted Britain and France would now call on their nationals working as pilots on the canal to leave their posts. He said such a move would be designed to disrupt traffic through the channel, and would be used as an excuse for British-French military action.

BRITAIN'S Prime Minister Eden, who has said his country cannot accept Egypt's unfettered control of the Suez, called Parliament into special session next Wednesday to discuss the canal situation.

Secretary of State Dulles, who presented the international control plan at last month's London conference of 22 nations, met Thursday with a bipartisan congressional delegation in Washington to brief them on the Suez crisis.

Washington sources said Dulles was not discouraged by the failure to reach early agreement in the talks here and had anticipated some delay, with both sides leading with their maximum demands.

Adlai Believes
Ike Failing in
'School Crisis'

By THE ASSOCIATED PRESS

Adlai Stevenson contended today the Eisenhower administration has failed to handle what he said was the "school crisis" involving shortages of classrooms and teachers. He said the Democratic party has a program to meet it.

The Democratic presidential nominee was back at his home base in Libertyville, Ill., after a fast swing into California. Sen. Estes Kefauver, vice presidential nominee who traveled with him, continued on to Washington where he commented that their candidacy was "off to a good start."

Stevenson spoke Thursday in San Francisco while at the same time Vice President Nixon was telling the American Legion National Convention in Los Angeles that "the entire problem of communism, foreign and domestic, is too important for partisan criticism or political sniping."

Nixon said the international Communist movement was the only serious threat to freedom in the world today. He urged "more common sense about communism and less wishful thinking."

STEVENS had no speeches on tap today but discussed the school conditions informally. He said 500,000 new classrooms are needed and the "teacher shortage is at least as serious, probably more serious."

Stevenson said the Democratic party has a "good program for dealing with the school crisis" but did not say just what that was.

Nixon, referring to Stevenson's statement on the same platform to the American Legion the previous day that the United States should discontinue nuclear weapons tests, said:

"I realize that there are those in the U. S. who sincerely believe we should have discontinued testing of hydrogen bombs if other nations would have offered to follow a similar policy. I respectfully submit that for us to have followed this advice would have been not only naive but dangerous to our national security."

Commenting on Stevenson's proposal that the military draft be ended as soon as consistent with national security, Nixon said "the easy way is seldom the right way." He added:

"This is no time to suggest to our friends or our possible opponents abroad that America is getting soft and tired and is looking for an easy out of our world responsibilities."

Janice, in a church group visiting the bakery Thursday, was standing with her back to the machine. As she looked up at the mixing operation her hair fell into a small opening and was caught in the gears.

Martial Law
Readied In
Kentucky City

STURGIS, Ky. (AP)—Nine Negro students stayed home today as state officials stood ready to declare martial law if necessary to control angry mobs threatening the Negro students who enrolled in previously all-white Sturgis High School.

National Guard and state police officials said they already had the papers necessary for declaring martial law but at the moment thought it was not needed.

Adj. Gen. J. B. Williams said "the governor instructed me to use it (martial law) if it becomes necessary. That is one of the last things I want to do."

Gen. Williams returned from a conference with Gov. A. B. Chandler in the state capital in Frankfort with papers needing only Williams' signature to put this community of approximately 5,000 persons under martial law.

The National Guard commander said the papers were drawn up by the governor as a precautionary measure since reports had been received at least 1,000 persons, including coal miners from nearby Pleasure Ridge, were expected to gather at the previously all-white school.

THE GUARDSMEN and state police stopped an angry mob Thursday, escorting the nine Negroes into and out of the school. The students then vowed they had "enrolled to stay."

An angry crowd of 500 shouted threats to "get you niggers if it takes all year," while the guardsmen pushed a path to three cars in which the students left.

Just before the Negroes came out of the school building, troopers took a shotgun from an unidentified man in the crowd. Three fist fights were reported between members of the crowd and guardsmen but apparently no one was injured.

Gen. Williams said he would declare martial law, under which the community, including its courts, would be under military rule, if it is necessary.

Police Bear Down
In Kidnap Probe

NEW HAVEN, Conn. (AP)—Police are bearing down today with renewed intensity in their investigation of the Ruotolo baby case.

Center of the vast probe moved quickly from Hamden police headquarters to the office of State's Atty. Abraham S. Ullman in the county courthouse here Thursday night after the 6-week-old baby, Cynthia, was found stuffed in a plastic bag in Hamden's Lake Whitney.

The child's mother, Eleanor Ruotolo, 33, told police the baby was snatched from her carriage in the foyer of a Sears Roebuck store Saturday, a mile from the lake.

It was shortly after three boys fishing had found the body that Ullman's office became the investigation's focal point.

Mrs. Ruotolo spent several hours there with Ullman, Coroner James J. Corrigan and police investigators. She was led out at 8:30 p.m. and was driven off.

Mrs. Ruotolo returned to her home several hours later.

WHILE NO ONE at Ullman's office would say why Mrs. Ruotolo was at the courthouse, Deputy Police Chief Frank Cattaneo of Hamden said she was called to go over Saturday's events.

Cattaneo said investigators were awaiting a report of an autopsy. "We have no motive," said Cattaneo, "until we ascertain the cause of the baby's death."

Corrigan said vital organs from the baby's body were being sent to the FBI laboratory in Washington for examination.

Also brought to Ullman's office were Mrs. Ruotolo's neighbors, Mr. and Mrs. Paul Rebucci. Mrs. Rebucci had said she went shopping at Sears with Mrs. Ruotolo the day the latter reporter Cynthia missing from the carriage.

Three middle-aged women entered the office and came out after a short time but none would identify herself.

Corrigan said only a preliminary autopsy had been made and that he could not say whether Cynthia was dead before she was thrown into the lake.

He said he has not issued a warrant for anyone's arrest and couldn't say if he would.

Since Saturday, police have said over and over their best lead in the case was a composite description of a short, stocky, dark woman.

A description of the woman given by the clerk jibed with previous descriptions of the short, stocky woman, police said.

Justice Minton
Plans To Resign

U. S. Supreme Court
Member Cites Health

WASHINGTON (AP)—Justice Sherman Minton of the Supreme Court today announced that he will retire on Oct. 15.

Minton said he is leaving the high bench because of impaired health. The jurist will be 66 years old Oct. 20.

In a letter sent to the White House, Minton notified President Eisenhower of his plan.

The justice has a circulatory condition in his legs. He told the President he does not feel he could carry out "the exacting duties of my office" in his present physical condition.

Appointed by President Harry Truman, Minton went on the Supreme Court bench Oct. 12, 1949. Previously he served more than eight years on the U. S. Circuit Court in Chicago.

This gives him sufficient years on federal benches to retire at full pay of \$35,000 yearly.

HIS RETIREMENT will give Eisenhower his third opportunity to fill a Supreme Court vacancy.

Eisenhower previously appointed Chief Justice Warren and Associate Justice Harlan to the high tribunal.

Minton generally has been considered a member of what has come to be known as the Supreme Court's five-man "conservative bloc."

On returning from a European vacation, last Aug. 21 Minton told reporters in New York he hoped Adlai Stevenson, the Democratic presidential nominee, would win the election.

Despite his own recovery from a 1945 heart attack, Minton told reporters he was afraid Eisenhower was "terribly handicapped physically."

Teen-Age Burglary
Gang Is Grabbed

CLEVELAND (AP)—Six members of a teen-age burglary gang, including two 17-year-old girls who drove getaway cars, were turned over to Cleveland detectives today by Cleveland Heights police.

Detective Capt. Earl Gordon of Cleveland Heights said the gang had committed eight burglaries of gasoline stations and stores and obtained more than \$3,000 in loot.

The six admitted their part in the burglaries and explained they were trying to raise money to hire lawyers for two of the boys, who face trial for other burglaries.

Ag Department
Sees Need To
Stabilize Prices

WASHINGTON (AP)—Secretary of Agriculture Benson today announced the government will purchase turkeys and hamburger beef in an effort to stabilize prices. He also said it is prepared to buy shell eggs if necessary.

Benson made the announcement personally in Chicago and the Agriculture Department here simultaneously disclosed his plans.

In the statement issued here, Benson said the turkey-buying program would be undertaken to stabilize prices during the heavy market season. A record crop of turkeys, about 16 per cent more than last year is forecast. The announcement did not specify the number of turkeys to be purchased.

The announcement said the department would offer to buy about 50 million pounds of boneless beef (hamburger style) to help encourage additional domestic consumption and to help cattle producers, particularly those who are marketing grass cattle.

THE SEASON of heavy marketing of grass cattle has begun and the statement said that many producers are facing the necessity of selling additional cattle because of drought.

The beef and turkeys will be distributed to non-profit school lunch programs and to eligible institutions. The purchases will be made with funds provided by Congress to encourage additional consumption of agriculture products by diverting surpluses of perishable commodities from normal channels of trade.

Details of the turkey purchase plan will be announced in a few days. The department said that purchases would be made on an offer and acceptance basis and would be limited to frozen, ready-to-cook turkeys weighing between 8 and 24 pounds.

The department action drew considerable interest here. In some quarters, there has been demand for aid to the farmer. Other observers point to the record high cost of living. And others point out that this is an election year. All three factors may have played a role in the Agriculture Department's maneuver today.

The National Guard commander said the papers were drawn up by the governor as a precautionary measure since reports had been received at least 1,000 persons, including coal miners from nearby Pleasure Ridge, were expected to gather at the previously all-white school.

THE GUARDSMEN and state police stopped an angry mob Thursday, escorting the nine Negroes into and out of the school. The students then vowed they had "enrolled to stay."

An angry crowd of 500 shouted threats to "get you niggers if it takes all year," while the guardsmen pushed a path to three cars in which the students left.

Just before the Negroes came out of the school building, troopers took a shotgun from an unidentified person in the crowd. Three fist fights were reported between members of the crowd and guardsmen but apparently no one was injured.

Gen. Williams said he would declare martial law, under which the community, including its courts, would be under military rule, only if it is necessary.

'Insulation' Factor Discovered

Boy's Faith in Self Cuts Delinquency

DETROIT (AP)—A factor which "insulates" a boy against delinquency has been discovered, an Ohio State University research team believes.

The factor: "A young teenager's belief in himself as a 'good boy.'"

The findings of a year-long study were reported today before the criminology section of the American Sociological Society at its annual meeting here.

The Ohio State study was based on 125 sixth-grade boys who were selected by school teachers as neither delinquent nor expected to become so even though

Police Bear Down In Kidnap Probe

NEW HAVEN, Conn. (AP)—Police are bearing down today with renewed intensity in their investigation of the Ruotolo baby case.

Center of the vast probe moved quickly from Hamden police headquarters to the office of State Atty. Abraham S. Ullman in the county courthouse here Thursday night after the 6-week-old baby, Cynthia, was found stuffed in a plastic bag in Hamden's Lake Whitney.

The child's mother, Eleanor Ruotolo, 33, told police the baby was snatched from her carriage in the foyer of a Sears Roebuck store Saturday, a mile from the lake.

It was shortly after three boys fishing had found the body that Ullman's office became the investigation's focal point.

Mrs. Ruotolo spent several hours there with Ullman, Coroner James J. Corrigan and police investigators. She was led out at 8:30 p.m. and was driven off.

Mrs. Ruotolo returned to her home several hours later.

WHILE NO ONE at Ullman's office would say why Mrs. Ruotolo was at the courthouse, Deputy Police Chief Frank Cattaneo of Hamden said she was called to go over Saturday's events.

Cattaneo said investigators were awaiting a report of an autopsy. "We have no motive," said Cattaneo, "until we ascertain the cause of the baby's death."

Corrigan said vital organs from the baby's body were being sent to the FBI laboratory in Washington for examination.

Also brought to Ullman's office were Mrs. Ruotolo's neighbors, Mr. and Mrs. Paul Rebucci. Mrs. Rebucci had said she went shopping at Sears with Mrs. Ruotolo the day the latter reporter Cynthia missing from the carriage.

Three middle-aged women entered the office and came out after a short time but none would identify herself.

Corrigan said only a preliminary autopsy had been made and that he could not say whether Cynthia was dead before she was thrown into the lake.

He said he has not issued a warrant for anyone's arrest and couldn't say if he would.

Since Saturday, police have said over and over their best lead in the case was a composite description of a short, stocky, dark woman.

3-Story Tumble Bruises Boy, 2

CLEVELAND (AP)—A 2-year-old boy from Coal Grove, Lawrence County, tumbled three floors from an apartment where he was visiting Thursday night, hit on cinder-covered ground, and escaped serious injury. He was Rickey Hardy, son of Clarence Hardy.

His mother said she was going up the stairs at the rear of the apartment when she saw the boy fall out of a low window or door near the stairway.

an seen by shoppers taking a baby out of a carriage at the store.

All along, authorities felt the kidnaper was someone who had a strong desire for a baby.

Only Thursday, a sales clerk at Sears Roebuck reported that on Saturday a woman bought disposable diapers, saying:

"Everyone in life has a destiny, but I don't."

A description of the woman given by the clerk jibed with previous descriptions of the short, stocky woman, police said.

Justice Minton Plans To Resign

U. S. Supreme Court Member Cites Health

WASHINGTON (AP)—Justice Sherman Minton of the Supreme Court today announced that he will retire on Oct. 15.

Minton said he is leaving the high bench because of impaired health. The jurist will be 66 years old Oct. 20.

In a letter sent to the White House, Minton notified President Eisenhower of his plan.

The justice has a circulatory condition in his legs. He told the President he does not feel he could carry out "the exacting duties of my office" in his present physical condition.

Appointed by President Harry Truman, Minton went on the Supreme Court bench Oct. 12, 1949. Previously he served more than eight years on the U. S. Circuit Court in Chicago.

This gives him sufficient years on federal benches to retire at full pay of \$35,000 yearly.

HIS RETIREMENT will give Eisenhower his third opportunity to fill a Supreme Court vacancy.

Eisenhower previously appointed Chief Justice Warren and Associate Justice Harlan to the high tribunal.

Minton generally has been considered a member of what has come to be known as the Supreme Court's five-man "conservative bloc."

On returning from a European vacation, last Aug. 21 Minton told reporters in New York he hoped Adlai Stevenson, the Democratic presidential nominee, would win the election.

Despite his own recovery from a 1945 heart attack, Minton told reporters he was afraid Eisenhower was "terribly handicapped physically."

Teen-Age Burglary Gang Is Grabbed

CLEVELAND (AP)—Six members of a teen-age burglary gang, including two 17-year-old girls who drove getaway cars, were turned over to Cleveland detectives today by Cleveland Heights police.

Detective Capt. Earl Gordon of Cleveland Heights said the gang had committed eight burglaries of gasoline stations and stores and obtained more than \$3,000 in loot.

The six admitted their part in the burglaries and explained they were trying to raise money to hire lawyers for two of the boys, who face trial for other burglaries.

Ag Department Sees Need To Stabilize Prices

WASHINGTON (AP)—Secretary of Agriculture Benson today announced the government will purchase turkeys and hamburger beef in an effort to stabilize prices. He also said it is prepared to buy shell eggs if necessary.

Benson made the announcement personally in Chicago and the Agriculture Department here simultaneously disclosed his plans.

In the statement issued here, Benson said the turkey-buying program would be undertaken to stabilize prices during the heavy market season. A record crop of turkeys, about 16 per cent more than last year is forecast. The announcement did not specify the number of turkeys to be purchased.

The announcement said the department would offer to buy about 50 million pounds of boneless beef (hamburger style) to help encourage additional domestic consumption and to help cattle producers, particularly those who are marketing grass cattle.

THE SEASON of heavy marketing of grass cattle has begun and the statement said that many producers are facing the necessity of selling additional cattle because of drought.

The beef and turkeys will be distributed to non-profit school lunch programs and to eligible institutions. The purchases will be made with funds provided by Congress to encourage additional consumption of agriculture products by diverting surpluses of perishable commodities from normal channels of trade.

Details of the turkey purchase plan will be announced in a few days. The department said that purchases would be made on an offer and acceptance basis and would be limited to frozen, ready-to-cook turkeys weighing between 8 and 24 pounds.

The department action drew considerable interest here. In some quarters, there has been demand for aid to the farmer. Other observers point to the record high cost of living. And others point out that this is an election year. All three factors may have played a role in the Agriculture Department's maneuver today.

Tennessee Feels 2 Earthquakes

KNOXVILLE, Tenn. (AP)—Two earthquakes rocked Knoxville and a wide area of east Tennessee, southeastern Kentucky and western North Carolina today, but there were no immediate reports of injuries.

The first tremor was felt at 8:37 a. m. and the second followed 13 minutes later.

Berlin Moneymaker, Tennessee Valley Authority geologist, described the shocks as "earth tremors of low intensity."

In downtown Knoxville, many persons raced into the streets when office buildings began to shake.

They live in the highest delinquency area of Columbus.

Reported Dr. Walter C. Reckless, professor of social administration at OSU:

"We felt that if we could determine what makes a good boy tick, then perhaps we might be able to get somewhere with delinquency prevention."

Earlier research in the field, he noted, has dealt chiefly with the background of "bad" boys.

A series of self-evaluation tests given to the selected 12-year-olds and interviews with their mothers indicated to the research team that the boys regarded themselves as law-abiding and obedient.

The boys' answers also showed they considered themselves as stricter about right and wrong than most people, "that they attempted to keep out of trouble at all costs and tried to conform to the expectations of their parents, teachers and others."

The boys believed that parental direction, good companions and work are among the things which "keep boys out of trouble."

The researchers said the adoption of such attitudes is im-

Legion Meeting Set for Monday

Liquor License Vote To Be Held Then

What was described as an "important meeting" by Commander Russ L. Whited is scheduled for the Paul H. Hughey post of the American Legion here.

In a letter sent to members of the post, Whited revealed that a vote on whether the post should seek to get a "club license" to sell liquor would be taken at this meeting.

The post now has a license to sell only beer in the canteen in Legion Hall.

Commander Whited also reminded the Legionnaires that "again this year, as in the past, we are policing and parking automobiles at all home football games. There are seven home games this year and this project will mean \$210 for the post." Anyone who has helped in the past, or would like to help this year, is to get in touch with the commander.

Whited said 12 men are required for the job for each game and pointed out that "you will miss only one quarter of playing time and you will get free admission to the game," in his letter.

The commander told the members their help is needed to make the Homecoming Jubilee the post is sponsoring a success. Profits from the Jubilee are to go to put on the Christmas party for underprivileged children. The Jubilee is to be put on in the high school auditorium here on Sept. 13.

The next regular meeting of the post is set for Sept. 24 and an executive meeting is slated for Oct. 1. There is to be a 40 and 8 meeting at the Legion Hall Sept. 17.

Sturgis quoted the governor as saying he "was ashamed of the way the people of Sturgis have acted. This is a government of law, not a government of men and if anyone gets hurt I want it to be the mob, not us."

The safety commissioner also reported local officials were cooperating 100 per cent with the state government.

Seven men were arrested on breach of peace charges Thursday when the fist-swinging crowd attempted to stop entry of the Negro youths into the school.

Racial tension in western Kentucky spread to the small Webster County community of Clay today when "more than 100" residents gathered in front of the elementary school after two Negro children attempted to enroll.

Two SWO Games Slated for Sunday

The Southwestern Ohio baseball league teams may be playing right into basketball season if they're not careful.

With the regular season finished, they still have several games to play off. There are a lot of it's to be decided.

If the Chillicothe Businessmen beat the Jeffersonville nine Sunday, all they need do is beat Milledgeville in their next game and they'll be tied for first place.

If Good Hope beats Bainbridge this Sunday, the Fayette Countians will jump from seventh to a fourth place tie, and Bainbridge will drop from fourth to a fifth place tie.

If Bainbridge wins that game, they team will move into a tie with Milledgeville for third. Whatever happens, it can't possibly stay in fourth place.

If this kind of baseball goes on any further, a statistical expert will have to come in and give first aid.

Man Is Injured At Sabina Plant

Chest Is Pierced By Strip of Steel

Robert Glenn, 32, Petersburg, is in serious condition in Memorial Hospital here after a piece of 1/4 inch steel pierced his chest about 11 a. m. Friday.

He was operating a forging press at the McPherson - Huff Tool Co. plant in Sabina when the strip of steel was forced out and struck him in the chest.

A spokesman at the plant said such an accident was "very rare" and that he was unable to explain just how it happened. He said Glenn was able to walk to the plant office, where he waited until he was brought to the hospital here in the Littleton ambulance.

Glenn was still undergoing emergency surgery at 1 o'clock. The company spokesman said several of his fellow workers were "standing by," ready to go to the hospital to give blood transfusions.

Glenn, his wife and their three children live near Petersburg in Highland County.

The company spokesman said Mrs. Glenn could not be reached by telephone but that one of the company employees drove to her home to tell her of her husband's accident and bring her to the hospital.

\$8.2 Billion Road Construction Seen

WASHINGTON (AP)—The government estimated today the nation will spend a record \$8,200,000,000 for all highway purposes in 1956. More than 5 1/2 billions of this will go for construction of roads and streets.

The Bureau of Public Roads said the total does not include initial costs of the big, new federal-state highway construction program. This calls for building 41,000 miles of interstate roads plus local routes within states and urban areas at a cost of more than 50 billion dollars in the next 13 to 16 years.

Synthetic Security 'Preachers' Rapped

COLUMBUS (AP)—William Saxbe, Republican candidate for attorney general, told a meeting of the Columbus Young Republican Club Thursday that "economic zoot-suits" seek to use the Democratic party as a means "to preach their gospel of synthetic security" to be gained at the cost of individual opportunity.

He asserted that the "disciples of the give-away state, progressive socialism and bureaucratic controls are clamoring at the gates to get back into the 'oh, promise me' land."

Third Round Looming in Beauty Test

ATLANTIC CITY, N. J. (AP) — Three blondes and a brunette are the frontrunners going into the third round of preliminary judging tonight in the annual Miss America pageant.

The brunette is Miss Hawaii, 20-year-old Jere Wright of Honolulu who topped honors in the swim suit division Thursday night.

Miss Wright measures 35-24-35. She stands 5 feet 7, weighs 120 and has blue eyes.

She shared the night's laurels with Miss Arkansas, 18-year-old Barbara Banks of Conway, who was judged best in the talent competition with her modern ballet number.

Two other blondes placed first in their divisions Wednesday night. They were Miss California, Joan Colleen Becket of Sacramento, in the battle of swimsuits, and Miss Alabama, Ann Stuart Atrial of Birmingham, in the talent section.

The girl who wins the title of Miss America 1957 in the finals Saturday night won't necessarily be one of these four, however.

Contestants have been split into three sections and judged successively for three nights on beauty in swimsuits, poise in evening gowns and on talent. But the results of the evening dress competition are kept secret.

Also, the girls pick up extra points for personality at breakfast sessions with the 11 judges.

Legion Auxiliary Selects Ohioan

LOS ANGELES (AP)—Mrs. Carl W. Zeller of Gibsonburg, Ohio, is the new national president of the Ladies Auxiliary of the American Legion.

Mrs. Zeller, who succeeds Mrs. Bowden Ward of Kingwood, W. Va., was elected at the final session of the auxiliary's convention Thursday.

Mrs. Albert S. Bursh, Honolulu, was named national historian, and Mrs. Robert T. Barrett, Ashland, Ky., national chaplain.

Ex-Racketeer, 40, Target of Shots

CLEVELAND (AP)—Pistol bullets Thursday night struck the car of Angela Filicia, 40, as the one-time narcotics racketeer who turned government agent drove up in front of his East Side home.

Felicia and his wife, Nancy, 25, were unharmed as they ducked a

shot fired into the upholstery of their car. Another bullet, fired as their assailants' car pulled away, hit the fender of Filicia's car.

In 1954 he was one of nearly a score of defendants rounded up in a federal crackdown on narcotics traffic here. After the trial was underway, it was disclosed he had been working on the government's side for 15 months.

Teacher Given Pay Hike, but Denied Classroom

DETROIT (AP)—A suburban Hazel Park school teacher, who drew a \$5,900 salary yet never taught a class last year, has started a second year without an assignment and at a pay raise.

Just as she did every school day last year Mrs. Marveta Hine, 32, of Royal Oak, signs in at school Supt. George R. Robinson's office in the morning and out again in the afternoon. For this she is getting \$8,200 this year.

Robinson said Mrs. Hine was taken off class assignment last year because school officials felt she was not qualified. But under teacher tenure, a legal safeguard that protects a teacher's job once a teaching certificate is obtained, she must be given a new contract every year. She cannot be removed merely because officials believe her unqualified.

Rites Due Today For Frank Nixon

LA HABRA, Cal., Sept. 7 — Services will be conducted today for Frank Nixon, father of Vice President Richard M. Nixon. He died Tuesday at 77.

Attending the services in the East Whittier Friends Church will be the vice president, his wife and members of the immediate family.

The family has asked that, instead of sending flowers, friends make contributions to the Arthritis and Rheumatism Foundation of New York City. The vice president's father suffered from arthritis in his later years.

Two SWO Games Slated for Sunday

The Southwestern Ohio baseball league teams may be playing right into basketball season if they're not careful.

With the regular season finished, they still have several games to play off. There are a lot of it's to be decided.

If the Chillicothe Businessmen beat the Jeffersonville nine Sunday, all they need do is beat Milledgeville in their next game and they'll be tied for first place.

If Good Hope beats Bainbridge this Sunday, the Fayette Countians will jump from seventh to a fourth place tie, and Bainbridge will drop from fourth to a fifth place tie.

If Bainbridge wins that game, they team will move into a tie with Milledgeville for third. Whatever happens, it can't possibly stay in fourth place.

If this kind of baseball goes on any further, a statistical expert will have to come in and give first aid.

Man Is Injured At Sabina Plant

Chest Is Pierced By Strip of Steel

Robert Glenn, 32, Petersburg, is in serious condition in Memorial Hospital here after a piece of 1/4 inch steel pierced his chest about 11 a. m. Friday.

He was operating a forging press at the McPherson - Huff Tool Co. plant in Sabina when the strip of steel was forced out and struck him in the chest.

A spokesman at the plant said such an accident was "very rare" and that he was unable to explain just how it happened. He said Glenn was able to walk to the plant office, where he waited until he was brought to the hospital here in the Littleton ambulance.

Glenn was still undergoing emergency surgery at 1 o'clock.

The company spokesman said several of his fellow workers were "standing by," ready to go to the hospital to give blood transfusions.

Glenn, his wife and their three children live near Petersburg in Highland County.

The company spokesman said Mrs. Glenn could not be reached by telephone but that one of the company employees drove to her home to tell her of her husband's accident and bring her to the hospital.

\$8.2 Billion Road Construction Seen

WASHINGTON (P)—The government estimated today the nation will spend a record \$8,200,000,000 for all highway purposes in 1956. More than 5 1/2 billions of this will go for construction of roads and streets.

The Bureau of Public Roads said the total does not include initial costs of the big, new federal-state highway construction program. This calls for building 41,000 miles of interstate roads plus local routes within states and urban areas at a cost of more than 50 billion dollars in the next 13 to 16 years.

Synthetic Security 'Preachers' Rapped

COLUMBUS (P)—William Saxbe, Republican candidate for attorney general, told a meeting of the Columbus Young Republican Club Thursday that "economic zoosuits" seek to use the Democratic party as a means "to preach their gospel of synthetic security" to be gained at the cost of individual opportunity.

He asserted that the "disciples of the give-away state, progressive socialism and bureaucratic controls are clamoring at the gates to get back into the 'oh, promise me' land."

Third Round Looming in Beauty Test

ATLANTIC CITY, N. J. (P) — Three blondes and a brunette are the frontrunners going into the third round of preliminary judging tonight in the annual Miss America pageant.

The brunette is Miss Hawaii, 20-year-old Jere Wright of Honolulu who copped honors in the swim suit division Thursday night.

Miss Wright measures 35-24-35. She stands 5 feet 7, weighs 120 and has blue eyes.

She shared the night's laurels with Miss Arkansas, 18-year-old Barbara Banks of Conway, who was judged best in the talent competition with her modern ballet number.

Two other blondes placed first in their divisions Wednesday night. They were Miss California, Joan Colleen Becket of Sacramento, in the battle of swimsuits, and Miss Alabama, Ann Stuart Atrial of Birmingham, in the talent section.

The girl who wins the title of Miss America 1957 in the finals Saturday night won't necessarily be one of these four, however.

Contestants have been split into three sections and judged successively for three nights on beauty in swimsuits, poise in evening gowns and on talent. But the results of the evening dress competition are kept secret.

Also, the girls pick up extra points for personality at breakfast sessions with the 11 judges.

Legion Auxiliary Selects Ohioan

LOS ANGELES (P)—Mrs. Carl W. Zeller of Gibsonburg, Ohio, is the new national president of the Ladies Auxiliary of the American Legion.

Mrs. Zeller, who succeeds Mrs. Bowden Ward of Kingwood, W. Va., was elected at the final session of the auxiliary's convention Thursday.

Mrs. Albert S. Bursh, Honolulu, was named national historian, and Mrs. Robert T. Barrett, Ashland, Ky., national chaplain.

Ex-Racketeer, 40, Target of Shots

CLEVELAND (P)—Pistol bullets Thursday night struck the car of Angela Filicia, 40, as the one-time narcotics racketeer who turned government agent drove up in front of his East Side home.

Felicia and his wife, Nancy, 25, were unharmed as they ducked a

shot fired into the upholstery of their car. Another bullet, fired as their assailants' car pulled away, hit the fender of Filicia's car.

In 1954 he was one of nearly a score of defendants rounded up in a federal crackdown on narcotics traffic here. After the trial was underway, it was disclosed he had been working on the government's side for 15 months.

Teacher Given Pay Hike, but Denied Classroom

DETROIT (P)—A suburban Hazel Park school teacher, who drew a \$5,900 salary yet never taught a class last year, has started a second year without an assignment and at a pay raise.

Just as she did every school day last year Mrs. Marveta Hine, 52, of Royal Oak, signs in at school Supt. George R. Robinson's office in the morning and out again in the afternoon. For this she is getting \$6,200 this year.

Robinson said Mrs. Hine was taken off class assignment last year because school officials felt she was not qualified. But under teacher tenure, a legal safeguard that protects a teacher's job once a teaching certificate is obtained, she must be given a new contract every year. She can not be removed merely because officials believe her unqualified.

Rites Due Today For Frank Nixon

LA HABRA, Cal., Sept. 7 — Services will be conducted today for Frank Nixon, father of Vice President Richard M. Nixon. He died Tuesday at 77.

Attending the services in the East Whittier Friends Church will be the vice president, his wife and members of the immediate family.

The family has asked that, instead of sending flowers, friends make contributions to the Arthritis and Rheumatism Foundation of New York City. The vice president's father suffered from arthritis in his later years.

Railroad Union Strike Vote Taken

WASHINGTON (P) — A union leader said today a strike vote among 800,000 non-operating railroad employees has been completed but results will not be disclosed for another "week or 10 days."

George E. Leighty, chairman of the national negotiating committee for 11 non-operating railroad unions, said the unions, representing workers who do not operate trains, are seeking a wage increase of 25-cents an hour. Leighty said the carriers have countered with a proposed 6 1/2 cent an hour reduction. The present average wage of the employees is \$1.90 per hour.

First Sermon Sunday By New Minister Here

The Rev. W. Neil Hand will deliver his first sermon at the First Presbyterian Church here Sunday at the regular 10:30 a. m. worship service. In it he will pose the question "Why a Church?" as his sermon subject.

THE REV. W. NEIL HAND

The Rev. and Mrs. Hand and their two-week-old daughter, Allison Jean, came to Washington C. H. from Millersburg Thursday and moved into the newly decorated manse.

Considerably remodeling and re-equipping also had been done at the manse before they arrived. One of the major phases of this centered in the kitchen where new cabinets were put in and several pieces of modern equipment installed.

The renovation program at the manse on Hinde St. next to the church house was carried on largely by, or under the supervision of, L. M. Hayes, Ormond Dewey and O. D. Farquhar. New floors were laid in several of the rooms, too.

The refrigerator was stocked with food, ready for the new minister and his family when they arrived.

During August, when the Presbyterians were attending services at Grace Methodist under a reciprocal arrangement that has been in

effect here for several years, a new dark red carpet was laid in the sanctuary (main auditorium of the church) the chapel and choir room.

SUNDAY'S SERVICE will be the second in the church since the new carpet was laid. Last Sunday it was in charge of the young people who attended the youth conference about two months ago.

Sunday also will mark the appearance of the new choir director and organist. He is Paul Messerall, who came here this summer as the new vocal music teacher in the city schools.

Last year, he was the choir director and organist at the Presbyterian Church in Liverpool, N. Y., and two years previous to that he held a similar position with the Evangelical and Reformed Church in Indianapolis. He received his master's degree in music, with a major in organ, from Butler University at Indianapolis.

He succeeds Mrs. J. Rankin Paul, choir director, and Mrs. Marion Gage, organist.

The Rev. Mr. Hand succeeds the Rev. Harold J. Braden, who gave up the pulpit of the church here to take the pastorate of the Presbyterian Church at Estes Park, Colo., last summer.

The 33-year-old Rev. Mr. Hand was graduated from high school in Pittsburgh and received his B. S. degree from the University of Pittsburgh in 1944.

After two years in the Army during World War II, he took graduate work at the University of Minnesota and received his divinity degree in 1950 from Western Theological Seminary in Pittsburgh.

He had held the pastorate of the Millersburg Church for four years before coming to Washington C. H.

Expert Plans Mural Lighting

Valuable Paintings
To Be Insured

A special system of lighting, designed to show up the Archibald M. Willard murals on the walls of the courthouse corridor to best advantage, has been recommended by John Gale, a Dayton Power and Light Co. lighting engineer.

Gale, who has made three trips here from Dayton to study the paintings and their location in the corridor, outlined his recommendations to a committee of Commissioner Ralph Minton, Judge John P. Case and B. E. Kelley.

The committee approved the plans, which now must go to the county commissioners, who will have to provide money for installation if they accept them.

As result of the study and conferences Gale recommended six flood lights of 150 watts each for the three large murals on the side-walls of the corridor, and eight lights of 200 watts each to illuminate the paintings in the alcove just under the ceiling.

Another light of 150 candle power will illuminate the stairway and corridor generally when the flood lights are not turned on.

Under the plans approved by the committee, the flood lights for the murals on the sidewalls will be on

Ohio Dems Plan State Platform

COLUMBUS, Ohio (AP) — Delegates at Saturday's state Democratic convention will consider a proposed party platform containing charges of "lavish" Republican expenditures and references

to a "dictated Republican (national) convention."

That was reported by Robert N. Gorman of Cincinnati, chairman of the platform committee after Thursday's committee meeting here.

The committee also received a proposed plank hitting at attempts to drop the "ic" at the end of Democratic in the party name.

The proposal by State Rep. George Hook (D-Brown) charged the Republicans with responsibility for attempts to shorten the party name. The proposal was set aside for later consideration.

Ford Trucks Cost Less!

"I earn as much as \$30 a day more because my Ford T-800 tandem job can carry more payload than comparable trucks," says timber-hauler Clarence Landwing.

"Low cost, dependability, toughness—that's what I get in Ford trucks," says John Karks. "Ford's power takes me through tough going that would stop many another truck."

Only a Ford pickup gives you the economy of modern Short Stroke design in both Six and V-8!

Ford's low initial prices mean real savings, to be sure. But the on-the-job savings you get in Ford trucks count even more!

Take running costs; they're downright low. Because Ford—and only Ford—gives you the gas and oil economy of modern Short Stroke power in every truck. Only Ford has a Short Stroke Six and seven Short Stroke V-8's—backed by over 5 billion miles of on-the-job experience.

Upkeep costs are low because Ford trucks are built extra strong. They outlast all other leading makes—a fact certified by independent insurance experts. That same stand-up ruggedness means greater dependability, too.

And when it comes time to trade—you'll gain from Ford's traditionally high resale value, too. You'll find that, from start to finish, Ford trucks cost less.

Failure To Vote Means Unworthy Citizenship

Most of us in Fayette County have heard repeatedly much criticism against those individuals of voting age who fail to take enough interest in government and elections to vote.

Probably every other community hears the same thing. Some people have gone so far as to urge that there should be a law passed to refuse voting privileges to those who pay no taxes as well as fail to vote, but this is not considered the real free American way of settling such problems. This method of punishing those who are able to vote, but do not, probably will never become a part of the law of our land.

This year the American Heritage Foundation is making an exceptional effort in urgently seeking to impress both press, public, and various agencies of communication, on necessity for getting out the vote at the coming November election.

Though this organization's campaign is valuable and may help to some extent, there is almost a nation-wide feeling of uneasiness, that it will not aid greatly because, as one newspaper declared, "it is rather like the situation of the clergymen who desires to preach on the subject of non-attendance in his church only to find that the people who hear him are only the regular churchgoers."

The general impression seems to be that the only people who pay much attention

to urgings from any source to "be sure to vote" are the people who meet their responsibilities at the polls anyway, and would do so without urging. Something other than exhortation is needed to stir the average laggard into fulfilling the highest function of citizenship.

It is too bad he can't be enjoined from boring others with political opinions he has no moral right to voice, but Anglo-Saxon tradition is as averse to any kind of penalty for the non-voter as it is to any kind of inducement for the voter — such as is successfully practiced in some countries, one system being a sort of poll tax in reverse, a remission of a special election levy for all who vote.

Also it does not seem to suit the temper of our people to adopt any system for publicly distinguishing all citizens who vote from all who do not, though such systems are advocated from time to time.

Apparently it all comes down to a matter of private conscience, like the practice of religion; the non-voter perhaps works impoverishment only upon himself. The point might even be made that citizens who neglect to vote are, ipso facto, unfitted to vote, and thus automatically eliminate themselves from the governing of the commonwealth. To fail to exercise the franchise is to prove oneself unworthy of exercising it.

Needed Now: Heavy Snowfall

By Hal Boyle

NEW YORK (AP)—Now is the time to feel sorry for yourself.

If there is any one month in the year when practically everybody gives way to the yearning to be someone else, it is in September.

The child, stricken with the feeling his days of barefoot freedom are over, tells his dad: "Boy, do I wish I was you! Then I wouldn't have to go to school."

The father, if he is equally frank, replies:

"Boy, don't I wish I was you, and could go to school instead of work?"

And mother, hearing them both, murmurs silently to herself:

"Don't I wish I was either of you. Then I wouldn't have to worry about taking down the summer draperies, and starting fall housecleaning."

Each has his point. The grass always looks greener on the other

side of the fence that hems us in during the final days of summer.

The mere mention of fences brings a shudder to the politician. That's all he'll be doing from now until election time—mending one fence after another.

This disease of discontent we're all going through now is like a late attack of spring fever, a pre-autumn regret that vacation time is over and we must return again to the reality of the daily struggle.

The office stenographer, wistfully noting as she puts on her morning lipstick that her vacation tan is already beginning to fade, also dreams of "the one that got away," the bachelor she met on her cruise to Bermuda.

The boss, trying to restore a little pep in the place, calls a conference and tells his salesmen:

"All right, boys, the joyride is over. It's time to hit the ball again. We've got a lot of good hard selling to do between now and Christmas to make our quota. And I don't mind telling you right now that if we don't make our quota, there'll be some new faces around here after the first of the year."

After the conference is over, the boss cautiously closes his door, lies down on his couch and wonders if he really wouldn't enjoy life more if he were a beachcomber.

So it goes with schoolchild, housewife, bus driver or business executive—each wonders if it wouldn't be better to be somebody else. Anybody else.

What we all really need right now is a good heavy snowfall. Then we'd all snap out of our end-of-summer doldrums and get back to the hurry-up tempo of normal civilized living.

Talk Substitutes for War

By George Sokolsky

It used to be that when nations disagreed, they measured the consequences, and if one of the parties felt sufficiently certain of victory, he went to war. If he won the war, he took booty, territory and peoples and enlarged his sphere of operations. Thus were empires born, and although it is true that no empire lasted forever, it is equally true that empires have lasted for enough centuries to enrich the countries that controlled them.

It generally has been the policy of the powers, as the rich and strong nations liked to call themselves, to keep the weak and backward nations in line or to absorb them. Thus at the Congress of Vienna, which settled the affairs of the world after Napoleon, only six nations were present as principal negotiators. They represented Great Britain, Austria, Russia, Prussia, France and the Papal States.

Today, it is different. There are only two great powers in terms of military and economic capacity, the United States and Soviet Russia. The enormous British empire, the French empire, the Dutch empire have disappeared their strength by war; the Austro-Hungarian empire has been destroyed; the German empire has been divided into two parts, both of which are veritable protectorates; the Japanese empire has become a small Asiatic country.

New forces have risen with which the Western World has little familiarity. Communist China, India, the dictatorship of Nasser in Egypt, Tito's Yugoslavia — these offer problems for which there is little precedent. The great powers no longer have long tested traditions, no binding rules of international law to fall back upon.

The reason that the so-called weak and backward nations find themselves in such a powerful position is that the very existence of the hydrogen bomb has made war impractical, and if nations cannot afford to use war as an instrument for settling international disputes, they have lost the method to which they have been

accustomed and have found no effective new methods.

At present, the substitute for war is talk, and if John Foster Dulles finds it necessary to fly around the earth like a veritable satellite, it is that talk is all that is left to international relations and he needs to be wherever the talk is held.

The London "Times," in an editorial, thinks that Dulles is too mobile, but for that matter, so is Eden, Pineau, Shepilov, Adenauer, Nehru, Tito, Shigemitsu and every other person responsible for handling the foreign relations of his country.

Conferences have been held either at the summit or at the foreign ministers level since the very beginning of World War II and they have increased in number because there is a greater need for them. Curiously, the telephone which brings the ambassador so much closer at hand than he was even at the end of a cable line, has not served to lessen the arduous travelling of the foreign ministers, because in the tough trading that has been going on, particularly between the so-called great powers, whose greatness has become illusory, and the weak and backward nations, the latter take umbrage if they can get it.

Red China has been laboring

for years to get a conference for Chou En-Lai with whoever is the American secretary of state, even if all that might be said at the conference is "Good Morning!"

John Foster Dulles has visited 38 countries. Selwyn Lloyd, who is the British foreign minister and successor to Sir Anthony Eden, has, during his short term, been away from his desk practically as much as Dulles, although he has had the advantage that some of the recent conferences have been held in London.

The United States has benefited by Dulles' travels although he, himself, may have suffered not only the fatigue of such living but also the inability to devote himself to the enhancement of his own popularity at home.

Dulles was even unable to attend the San Francisco convention where he could have made a speech and had a moment of to Herbert Hoover Jr., to whom applause can matter so little because he has no political ambitions, having experienced early in life the misfortunes of an engineer going into politics and attempting to apply the principles of logic to the illogical course of events.

Tell Your Doctor All When Consulting Him

By HERMAN N. BUNDESEN
Don't be modest when talking to your physician.

You pay him to find out what's wrong with you. The least you can do, for your own sake and his, is to give him every bit of information about your symptoms to help him diagnose your case.

Hematuria, for example, is a positive symptom that some abnormality exists in the urinary tract. Hematuria is the discharge of blood in the urine.

False Modesty

Unfortunately, many persons let false modesty keep them from informing their doctor about such a condition. While hematuria may or may not be serious, it never pays to take a chance.

As soon as you notice blood in the urine, consult your doctor. And don't think that because it occurs only once and then stops, that it is nothing to worry about. Hematuria is not always a persistent symptom. It may appear once and never again or it may occur only two or three times over a period of years.

Clots Form

Sometimes, the bleeding is so extensive that clots form; sometimes the urine will be uniformly red or pinkish. In other cases, the bleeding will appear upon completion of urination.

Pain does not necessarily accompany hematuria. When it

does, stones in the urinary tract might be responsible. This is especially true of small stones which cause varying degrees of pain and bleeding by irritating the delicate lining as they pass down the ureter.

Infections of the urinary tract also occasionally cause bleeding.

Mean Mean Tumor

When there is bleeding without pain, it might mean some type of tumor in the urinary tract is responsible. Such a tumor might be benign or it might be malignant.

Since hematuria is not always a persistent symptom, a patient might be merely giving a malignant growth a chance to spread by ignoring the original warning.

So be safe. Tell your physician the minute you notice anything abnormal. Tell him everything.

QUESTION AND ANSWER

R. V.: Our month-old baby has a constant tearing from the eye. The eye is not inflamed. What causes this?

Answer: It would seem your child has some difficulty with the tear duct. It would be well for you to consult your physician.

EDITOR, RECORD-HERALD: The Citizens Committee for the John Godfrey fund, believe we are following the exact teachings of Christ.

Matt. 25: 31 to 40 Incl.

31: When the Son of man shall come in his glory, and all the Holy Angels with him, then shall he sit upon the throne of his glory:

32: And before him shall be gathered all nations; and he shall separate them one from another, as a shepherd divideth his sheep from the goats:

33: And he shall set the sheep on his right hand, but the goats on the left.

34: Then shall the King say unto them on his right hand, Come, Ye blessed of my Father, inherit the Kingdom prepared for you from the foundation of the world:

35: For I was an hungred, and yet gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in:

36: Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me.

37: Then shall the righteous answer him, saying, Lord, when saw we thee an hungred, and fed thee? or thirsty, and gave thee drink?

38: When saw we thee a stranger, and took thee in? or naked, and clothed thee?

39: Or when saw we thee sick, or in prison, and came unto thee?

40: And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.

How'd You Make Out

1. Michigan—Lakes Erie, Huron, Superior, Michigan.
2. A mock serenade of noise makers, usually following a wedding.
3. A group of painters.

AAU Chieftain Dies

NEW CARLISLE (AP)—Funeral services will be held here Saturday for H. Claude Norris, 56, president of the Ohio AAU, who died Thursday in Miami Valley Hospital in Dayton following a heart attack.

Letter to the Editor

EDITOR, RECORD-HERALD:
The Citizens Committee for the John Godfrey fund, believe we are following the exact teachings of Christ.

Matt. 25: 31 to 40 Incl.

31: When the Son of man shall come in his glory, and all the Holy Angels with him, then shall he sit upon the throne of his glory:

32: And before him shall be gathered all nations; and He shall separate them one from another, as a shepherd divideth his sheep from the goats:

33: And He shall set the sheep on his right hand, but the goats on the left.

34: Then shall the King say unto them on his right hand, Come, Ye blessed of my Father, inherit the Kingdom prepared for you from the foundation of the world:

35: For I was an hungred, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in:

36: Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me.

37: Then shall the righteous answer him, saying, Lord, when saw we thee an hungred, and fed thee? or thirsty, and gave thee drink?

38: When saw we thee a stranger, or took thee in? or naked, and clothed thee?

39: Or when saw we thee sick, or in prison, and came unto thee?

40: And the King shall answer unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.

Charges Dropped Against Ohioan

MIAMI, Fla. (AP)—Charges against Mark Micheles of Fremont, Ohio, that he received and concealed stolen property were dismissed in Criminal Court here Thursday on condition that he join the Army. Detectives said Micheles already had gone into service.

Micheles was charged with being a member of a gang which allegedly performed a series of burglaries and holdups in the Miami area, using information obtained by girl members of the gang on visits to hotel rooms and apartments of prospective victims.

You Need The Church-The Church Needs You

HE BLESSED the CHILDREN

As naturally as the flower turns its face to the sun, so does the human child respond to the love and grace of God...they know He loves them.

Jesus, who knew the Father's heart, said to some good people of His time—"Let the little children come unto me and forbid them not."

Surely no woman or man would detour a child in his natural search for God and goodness. Take them to church...show them the way...the Master still commands us. They may be ours for a few short years.

They are His forever. How important then to introduce them to Jesus.

Here they meet Him, know Him and love Him, for such is the Kingdom of God.

You In The Church... The Church In You—
Form a combination for good. Every man, woman and child needs the influence of the CHURCH. Be a faithful worker. Attend every service.

Ladies Luncheon At Country Club Thursday Event

Thirty-three ladies attended the fortnightly luncheon-bridge at the Washington Country Club, Thursday afternoon.

The club lounge was decorated with unusual arrangements of fall flowers as were the tables seating the group for the luncheon hour, which were artistically arranged by Mrs. Richard Rankin.

Following a delightful hour around the tables progressive bridge was enjoyed at seven tables and at the conclusion of play awards went to Mrs. Clinton D. Young who was the holder of high score and Mrs. Howard Fogle received second.

Hostesses for the party were Mrs. Clarence E. Craig, chairman and her assistants Mrs. Harry M. Rankin and Mrs. Walter D. Craig.

Mrs. Aubin Hedges of Hillsboro and Mrs. W. W. Trovillo of Frankfort were out of town members present and guests included were Mrs. Charles Hire, Mrs. Charles Buxton, Miss Ann Story of this city, Mrs. A. D. Pitcher and Mrs. James Beatty of Greenfield.

Sorority Meets At Home of Mrs. Briggs

The first fall meeting of Xi Psi Chapter of Beta Sigma Phi Sorority was held at the home of Mrs. Guy Briggs after a recess of summer activity.

Mrs. Ray Jennings, president, opened the meeting according to the ritual and Mrs. Harry Campbell read a poem entitled "Autumn" by R. A. Grady.

The business session included plans for the sale of Christmas cards which finances the annual Christmas party for needy children.

A substantial contribution was made to the John Godfrey Fund and plans were made to accept the offer to show cancer films at a meeting in the near future.

Mrs. Harry Campbell, program chairman, introduced Mrs. Roy Hagler, who conducted the yearly review of the charter bylaws and parliamentary procedure.

The meeting was adjourned and a social hour was enjoyed during which the hostess served light refreshments assisted by Mrs. Edward Sexton and Mrs. Ray Jennings.

Matron's Class Holds Meeting

Thirteen members of the Matron's Class of the Bloomingburg Presbyterian Church assembled in the church social rooms for the regular monthly meeting.

In the absence of the president, Mrs. Vere C. Foster, Mrs. Urvin Edwards, vice president, conducted the meeting and opened with an article entitled "Pyramid Prayer."

Mrs. Martin G. Morris led in the devotions taken from the "Nine Today," using Scripture from John and closing with prayer.

The usual reports were heard and accepted and a report was made on the piano fund sponsored by the class.

Mrs. Morris also conducted the program which consisted of a sermon by Charles B. Templeton and closed with prayer.

Announcement was made of World Day of Prayer to be observed on Sunday, October 7.

During the social hour following, the hostess committee, Mrs. Robert Alleman, chairman, Mrs. Ogan Riley and Mrs. Ocie Huffman served refreshments from a table centered with fall flowers.

Mr. Geary Guest Speaker At Garden Club

Mrs. Paul Brunner, president, presided over the meeting of the Washington Garden Club held at the home of Mrs. Elden Armbrust, which was guest night.

The president introduced the guests and nineteen members responded to roll call by naming a flower or plant found in the Bible.

The secretary and treasurer's reports were given and an invitation was also read from the Greenfield Garden Club to attend a Flower Show there Sept. 19, and also a letter from Mrs. H. V. Warner, Regional Director of District 9, congratulating the club for the scrapbook which was awarded first place in the district.

Plans were made for installation of new officers at the October meeting and a report on the Flower Show sponsored by the club was given.

The County Fall Flower Show was announced for Sept. 28, at the Washington Country Club and the committee appointed for participation in the show is Mrs. Frank Terrell, Mrs. Thomas Martschinsky and Mrs. Paul Brunner will be receptionists.

Mrs. Robert Woods was appointed to arrange for a book to be given to the Carnegie Library and a white elephant sale was planned for the October meeting.

The August picnic at the home of Mrs. Ray Bowers was reported on and Mr. and Mrs. Ernest Geary, florists of Sabina, were presented as guest speakers.

Mr. Geary demonstrated the making of arrangements using the new product oasis and vermiculate. He also explained the wiring of crooked stems of flowers, as a means to conform flowers in a straight stem in bouquets.

He explained that the point of interest in any arrangement should be low and in front and any spikes are good for a live arrangement suggesting the measuring from the bloom to obtain the proper length.

Mr. Geary prefers using odd numbers of flowers in his arrangements and emphasized careful blending of colors, also making them look as natural as possible.

Among the types of arrangements made were: angular, triangular, a child's arrangement and a table centerpiece.

During the social hour, Mrs. Armbrust was assisted by Mrs. Wayne Boswell in the serving of refreshments.

Guests included were: Mrs. Kenneth Hughes, Mrs. Virgil Workman, Mrs. Fred Armbrust, of this city, Mrs. Ward Dean of Atlanta and Mrs. Helen Slusser of Dayton.

Miss Jo Reiff Is Honored At Dinner Party

Miss Sara Terhune entertained Thursday evening at a dinner party and a going away party for Miss Jo Reiff who leaves soon to enter her freshman year at Stephens College.

The guests were confined to a small group of intimate friends of Miss Reiff and the dinner table was centered with an arrangement of zinnias and sprigs of butterfly bush.

Following the delightful dinner hour, Miss Terhune presented the honored guest with a lovely going away gift.

Guests included were: Miss Sandy Rose, Miss Linda Laymon, Miss Sarah Core, Miss Joan Kneisley, Miss Jeanne Persinger, Miss Janis Gillen, Miss Nancy Reno, Miss Judy Preston, Miss Wanda Tracey and Miss Jean Cupp.

OSU Mothers Will Sponsor Social Event

The Ohio State University Mothers' Association of Fayette County will sponsor a covered dish supper in Fellowship Hall at Grace Methodist Church on Sunday, September 9 at 5:30 p. m. for a social get-together.

All present students and freshmen students and their parents are cordially invited to attend.

The committee in charge of the event is Mrs. Edward Cunningham, and she will be assisted by other members of the association.

Any student who expects to enter the university in the fall term, who has not been contacted is urged to get in touch with Mrs. Cunningham, who has made a special effort to reach each student and prospective student.

Dinner Precedes CCL Meeting

Alpha Circle of Child Conservation Club, opened the first fall meeting after a summer recess with a "Dutch Treat Dinner" in the Heritage Room at the McCarty Hotel in Chillicothe with twenty-seven members motoring down for the event.

A three course dinner was served and following the dinner hour, Mrs. William Fletcher, president, introduced her officers for the coming year, who are Mrs. Richard Waters, vice president; Mrs. Fulton Alkire, secretary; Mrs. Frank Dill, corresponding secretary; Mrs. Frank Lenz, treasurer and Mrs. Thurman Coulter, news reporter.

Five new members, Mrs. Kenneth Warner, Mrs. Ray Baker, Mrs. Clifford Doster, Mrs. William Lawyer, Mrs. Emory Lynch and Mrs. Norris Highfield were also introduced.

Mrs. Charles Hurt, a Southwest District officer, gave a short talk and welcomed the new members, and two delegates, Mrs. William Fletcher and Mrs. Richard Waters were chosen to attend the State C.C.L. Convention in Toledo, October 4 and 5.

Plans were also discussed for the coming year and standing committees were appointed.

The new officers were in charge of the arrangements for the event and Mrs. Bernard Haas of Chillicothe was included as a guest.

A three course dinner was served and following the dinner hour, Mrs. William Fletcher, president, introduced her officers for the coming year, who are Mrs. Richard Waters, vice president; Mrs. Fulton Alkire, secretary; Mrs. Frank Dill, corresponding secretary; Mrs. Frank Lentz, treasurer and Mrs. Thurman Coulter, news reporter.

Five new members, Mrs. Kenneth Warner, Mrs. Ray Baker, Mrs. Clifford Doster, Mrs. William Lawry, Mrs. Emory Lynch and Mrs. Norris Highfield were also introduced.

Mrs. Charles Hurtt, a Southwest District officer, gave a short talk and welcomed the new members, and two delegates, Mrs. William Fletcher and Mrs. Richard Waters were chosen to attend the State C.C.L. Convention in Toledo, October 4 and 5.

Plans were also discussed for the coming year and standing committees were appointed.

The new officers were in charge of the arrangements for the event and Mrs. Bernard Haas of Chillicothe was included as a guest.

Democrats Here Set for Meeting

State Convention
In Columbus Saturday

Fayette County Democrats will be represented at the party's state convention Saturday by Virtus Kruse, chairman of the county executive committee; several members of the county committee; and a delegate-at-large, M. L. Lyons, chairman of the central committee, said Friday.

Just who among the candidates will be there is uncertain, but Kruse said he thought one or two of them would be. Reed M. Winegardner, candidate for the State Senate, said he was definitely planning to go.

The delegate-at-large, who is named by the committee, probably will be Robert Armstrong, Lyons said.

Raymond E. Manchester, mayor of Kent and for 34 years dean of men and head of the mathematics department at Kent State University until his 1954 retirement, has devised a workshop course in politics unprecedented in the history of Ohio political conventions.

THE FOUR workshops, which will be held simultaneously in the Veterans Memorial building in Columbus the afternoon of the convention, will deal with "Promotion of Candidates," "Basic Principles of Democracy and the Party," "Techniques of Precinct Organization" and "The Necessity for Good Public Relations." The workshops will be open to the general public and will begin immediately after the close of the convention's afternoon session at which Adlai Stevenson, Democratic candidate for president, will be the principle speaker.

"The purpose of these workshops," Manchester said, "is to study 'know-how' and practical methods of politics. To win we must elect candidates. To elect, we must have votes."

The inaugural meeting of the newly organized Ohio Democratic Farm Committee was held at 10 a. m. Monday in the Deshler Hilton Hotel in Columbus.

Dwight Wise, a farmer of near Fremont, in Sandusky County, appointed chairman of the state-wide farmers committee, has called the meeting of his executive committee to plan a farmers' rally in Columbus for mid-September.

Wise, who farms a 435-acre general livestock farm in partnership with sons Dwight Jr. and Charles, said the committee intends to have Democratic farm committees formed in each county of Ohio by the end of the month.

Firemen Called to Fertilizer Plant

Firemen were summoned to the Agric Fertilizer Co. plant on the Robinson Rd., at 5:15 p. m. Thursday, where a kettle of tar had boiled over. The tar had caught fire and was sending up billows of black smoke.

The tanker equipment made the run and the fire was extinguished without damage to the plant.

Wood is measured by the cord—a stack of four foot sticks piled four feet high and eight feet long.

Royal Arch Masons Honor WCH Man

Dr. R. W. E. Irwin, retired Mt. Sterling physician who came to Washington C. H. after his retirement five years ago, today proudly wears a 50-year membership pin that was presented to him this week at a meeting of the Manchester Chapter of Royal Arch Masons.

DR. R. W. E. IRWIN

The presentation was made on behalf of the Grand Chapter of Ohio by District Deputy Grand High Priest Edward A. Rice of Portsmouth.

Dr. Irwin left Manchester in 1917, after practicing medicine there for 16 years, to serve in the Army Medical Corps for 2½ years during World War I. He was 14 months overseas.

After the war, he served as surgeon of public health in Cincinnati, St. Louis and Kansas City.

He resigned from government service in 1926 and entered private practice in Mt. Sterling, where he remained until his retirement. Dr. and Mrs. Irwin plan to go to St. Petersburg, Fla., in the near future to make their home.

Mercury Hits Low of 47 Here

A blast of cool Canadian air sent the mercury plummeting to 47 in Washington C. H. Thursday night and brought the promise of a brisk, dry weekend for Ohio generally.

Thursday's maximum temperature in the city was 71 under partly cloudy skies which cleared during the late afternoon. After dropping to the chilly 47-degree reading, probably a record for the date in this area, the mercury had climbed to 54 at 8 a. m., according to Coyt A. Stookey, official weather observer.

Friday night's low is expected to again be in the mid-40s in Southern Ohio with a possibility of frost in exposed sections of Northern Ohio.

Election, Tuesday For Selden Grange

The next regular meeting of Selden Grange will be held at the Staunton School Tuesday evening. The Selden juvenile group also will meet at the same time and place. Beginning with this meeting, the opening hour will be 7:30 p. m.

The annual election of officers is at the top of the agenda for this meeting.

Despite Big Ten Spanking, Ohio State Holds Head High

COLUMBUS, Ohio (P)—His football team must operate as an officially "spanked" Big Ten contender and minus All-America Howie (Hopalong) Cassidy, but Woody Hayes of Ohio State faces the 1956 campaign with head held high and typical confidence.

The defending champion Buckeyes are under one year probation, including denial of a possible Rose Bowl bid, for athletic policies deemed irregular by the conference.

Hayes reports the whole situation has been straightened out and that it resulted from an "honest administrative" mistake. This included small cash "loans" Hayes made to his players and lack of regulation of off-campus jobs held by athletes.

Hayes said today "our attitude towards the probation is that we have rectified our mistake and haven't pointed a finger at anybody else. We tried one thing, to avoid having the boys hurt and becoming bitter. They're not."

He said 32 players in danger of being declared ineligible generally stayed after school closed in June and put in an extra week of work on their jobs. Most of his "loans," he said, were repaid.

"Sure, there is some disappointment with the probation, but, if anything, it has made all of us a more closely-knit athletic family. There won't be any letdown by the kids."

Hayes has eight starters back among 22 lettermen, including Ohio State's brilliant 1954 fullback Hubert Bobo, now being tried at end.

Hayes explains the Bobo switch was made because he has two good fullbacks in Don Vico and Galen Cisco, who couldn't play any other position, and the 200-pound Bobo is ready, willing and able to bolster the end department.

As for the Rose Bowl bid that might have been, there won't be any need to worry about that if the Buckeyes miss the graduated Cassidy as much as most observers think they will.

Cassidy was the firebrand who led the Buckeyes to two straight undisputed Big Ten titles and a run of 13 straight Big Ten victories. He was the game-breaker a coach gets once a decade.

The player who must fill Hopalong's saddle is Don Sutherland, 198-pound junior, who is highly regarded, but in Hayes' words, "He's no Cassidy—there couldn't be another Cassidy."

But there's no fear in Hayes' heart the Buckeyes won't win an unprecedented third straight undisputed title and in the process

break the 15-game conference winning streak held by Michigan.

Jim Roseboro, who averaged 6.1 yards last season, is a right half fixture and Frank Ellwood, a surprise find at quarterback last season will do the Buckeye signaling and tossing in Hayes' stepped-up aerial program.

In the line, Hayes has two sharp, if small, starting veteran ends in 179-pound Fred Krss and 160-pound Leo Brown; converted 1955 regular end Bill Michael, a 220-pounder, and veteran Dick Guy, 210, at tackles, and a tremendous guard back in 250-pound Jim Parker.

Aurelius Thomas, 200, is the other guard, with 215 minutes of service last year. Tom Dillman, 208-pound senior, is the apparent successor to the Buckeyes' great 1955 center, Ken Vargo.

Tallest player on Tulane's varsity football team is sophomore and David Painter. He is 6 feet 7. Shortest player is Wilbur Troxclair, a senior guard who is 5 feet 6 1/2.

Praises for Golden Greek

ST. LOUIS (P)—Birdie Tebbetts, manager of the surging Cincinnati Redlegs, today tabbed Alex Grammas as one of the reasons his club has moved into the National League pennant fight.

"He's made a big difference in our ball club the last three weeks since we've been using him," Tebbetts said.

The 29-year-old Golden Greek had a big part in the Redlegs' victory over the leading Milwaukee Braves Wednesday, getting three hits and driving in four runs.

"They've got to admit now it's a three-team race," Tebbetts said, "and we have a chance. Up to now nobody even mentioned us. Well, the ugly ducklings have invited themselves into a party."

Birdie isn't concerned because his club's remaining games are on the road.

"The schedule means nothing when you have only 20 games," he said. "Now it's a case of our staying hot. I've maintained all along the team which can put together a sizeable winning streak from now on will win it. I still say it. I hope it's us."

The Redleg pilot started moving Grammas in an out of the lineup a month ago.

"Grammas gave us good protection defensively," he said. "The way he's started to hit, he's helping us both ways. That's why I say he's made a big difference in the ball club lately."

Browns Set For Old Jinx Against Lions

DETROIT (P)—If the Cleveland Browns are to end a three-game losing string in exhibition games tonight, they must do it against a long time jinx.

That jinx is the one held over them by Coach Buddy Parker of the Detroit Lions whose teams have won eight, tied one and lost one to Cleveland since 1951. The one lost was a big one however, and a humiliating one for Parker: It was a 56-10 shellacking in the 1954 championship playoff.

The Lions tumbled to the bottom of the National Football League last season, winning only

three. But their Texan tosser, Bobby Layne, reportedly is back in his best form again, and their offense is bolstered by some prize

Battle for Basic Rights Said To Be Near End in U. S.

CINCINNATI (P)—Theodore W. Kheel of New York told the annual National Urban League convention today that he believes "the battle over the recognition of basic rights is near an end."

Kheel, chairman of the Urban League of Greater New York, is the nominee for new president of the national organization.

"Despite some widely publicized demonstrations, sparked to a greater extent than we may know by itinerant provocateurs," he said, "I incline to the belief that the battle over recognition of basic rights is near an end."

"Already well under way is the sensitive, complicated job of teaching and enabling all Americans to live together in harmony so that each can fully develop his personality, his abilities, his economic opportunities."

rookies, including Howard (Hopalong) Cassidy of Ohio State.

The Lions have won two of three exhibitions.

Never have the Browns lost four exhibition games in a row, in spite of Coach Paul Brown's admitted policy of using the practice games to evaluate his material, with victory secondary. Twice before, in the last two seasons, the Browns have dropped three exhibitions in a row, and each time Detroit was responsible for one of them.

In regular season play, the Browns in 10 years never have lost more than two in a row.

To set a record losing string, even of practice games, is not the sort of way in which Brown is likely to want to celebrate his 48th birthday, which is today.

Brooklyn Dodger bullpen coach, Joe Becker, waves a towel to signal Dodger base runners that a batted ball will hit the right field wall. The bullpen is close to the Ebbets Field wall.

Paul Susce, son of coach George Susce of the Athletics and brother of George, Jr. pitcher for the Red Sox, hurfs for a semi-pro team in Pierre, S. D.

Babe Zaharias Unable to Gain

GALVESTON, Tex. (P)—The noted woman golfer, Babe Didrikson Zaharias, has lost weight and has been unable to gain strength in the last 10 days.

But John Sealy Hospital, where she is undergoing treatment for cancer, said she is in good spirits and attempting to take more nourishment even though she has "no appetite." It added "she is comfortable and there are no added complications."

He said 32 players in danger of being declared ineligible generally stayed after school closed in June and put in an extra week of work on their jobs. Most of his "loans," he said, were repaid.

"Sure, there is some disappointment with the probation, but, if anything, it has made all of us more closely-knit athletic family. There won't be any letdown by the kids."

Hayes has eight starters back among 22 lettermen, including Ohio State's brilliant 1954 fullback Hubert Bobo, now being tried at end.

Hayes explains the Bobo switch was made because he has two good fullbacks in Don Vico and Galen Cisco, who couldn't play any other position, and the 200-pound Bobo is ready, willing and able to bolster the end department.

As for the Rose Bowl bid that might have been, there won't be any need to worry about that if the Buckeyes miss the graduated Cassidy as much as most observers think they will.

Cassidy was the firebrand who led the Buckeyes to two straight undisputed Big Ten titles and a run of 13 straight Big Ten victories. He was the game-breaker a coach gets once a decade.

The player who must fill Hopalong's saddle is Don Sutherland, 198-pound junior, who is highly regarded, but in Hayes' words, "He's no Cassidy—there couldn't be another Cassidy."

But there's no fear in Hayes' heart the Buckeyes won't win an unprecedented third straight undisputed title and in the process

break the 15-game conference winning streak held by Michigan.

Jim Roseboro, who averaged 6.1 yards last season, is a right half fixture and Frank Ellwood, a surprise find at quarterback last season will do the Buckeye signaling and tossing in Hayes' step-up aerial program.

In the line, Hayes has two sharp, if small, starting veterans ends in 179-pound Fred Krss and 160-pound Leo Brown; converted 1955 regular end Bill Michael, a 220-pounder, and veteran Dick Guy, 210, at tackles, and a tremendous guard back in 250-pound Jim Parker.

Aurelius Thomas, 200, is the other guard, with 215 minutes of service last year. Tom Dillman, 208-pound senior, is the apparent successor to the Buckeyes' great 1955 center, Ken Vargo.

Tallest player on Tulane's varsity football team is sophomore and David Painter. He is 6 feet 7. Shortest player is Wilbur Troxclair, a senior guard who is 5 feet 6½.

Praises for Golden Greek

ST. LOUIS (AP)—Birdie Tebbetts, manager of the surging Cincinnati Redlegs, today tabbed Alex Grammas as one of the reasons his club has moved into the National League pennant fight.

"He's made a big difference in our ball club the last three weeks since we've been using him" Tebbetts said.

The 29-year-old Golden Greek had a big part in the Redlegs' victory over the leading Milwaukee Braves Wednesday, getting three hits and driving in four runs.

"They've got to admit now it's a three-team race," Tebbetts said, "and we have a chance. Up to now nobody even mentioned us. Well, the ugly ducklings have invited themselves into a party."

Birdie isn't concerned because his club's remaining games are on the road.

"The schedule means nothing when you have only 20 games," he said. "Now it's a case of our staying hot. I've maintained all along the team which can put together a sizeable winning streak from now on will win it. I still say it. I hope it's us."

The Redleg pilot started moving Grammas in an out of the lineup a month ago.

"Grammas gave us good protection defensively," he said. "The way he's started to hit, he's helping us both ways. That's why I say he's made a big difference in the ball club lately."

Browns Set For Old Jinx Against Lions

DETROIT (AP)—If the Cleveland Browns are to end a three-game losing string in exhibition games tonight, they must do it against a long time jinx.

That jinx is the one held over them by Coach Buddy Parker of the Detroit Lions whose teams have won eight, tied one and lost one to Cleveland since 1951. The one lost was a big one however, and a humiliating one for Parker. It was a 56-10 shellacking in the 1954 championship playoff.

The Lions tumbled to the bottom of the National Football League last season, winning only

three. But their Texan tosser, Bobby Layne, reportedly is back in his best form again, and their offense is bolstered by some prize

Battle for Basic Rights Said To Be Near End in U. S.

CINCINNATI (AP)—Theodore W. Kheel of New York told the annual National Urban League convention today that he believes "the battle over the recognition of basic rights is near an end."

Kheel, chairman of the Urban League of Greater New York, is the nominee for new president of the national organization.

"Despite some widely publicized demonstrations, sparked to a greater extent than we may know by itinerant provocateurs," he said, "I incline to the belief that the battle over recognition of basic rights is near an end."

"Already well under way is the sensitive, complicated job of teaching and enabling all Americans to live together in harmony so that each can fully develop his personality, his abilities, his economic opportunities."

rookies, including Howard (Hopalong) Cassidy of Ohio State.

The Lions have won two of three exhibitions.

Never have the Browns lost four exhibition games in a row, in spite of Coach Paul Brown's admitted policy of using the practice games to evaluate his material, with victory secondary. Twice before, in the last two seasons, the Browns have dropped three exhibitions in a row, and each time Detroit was responsible for one of them.

In regular season play, the Browns in 10 years never have lost more than two in a row.

To set a record losing string, even of practice games, is not the sort of way in which Brown is likely to want to celebrate his 48th birthday, which is today.

Brooklyn Dodger bullpen coach, Joe Becker, waves a towel to signal Dodger base runners that a batted ball will hit the right field wall. The bullpen is close to the Ebbets Field wall.

Babe Zaharias Unable to Gain

GALVESTON, Tex. (AP)—The noted woman golfer, Babe Didrikson Zaharias, has lost weight and has been unable to gain strength in the last 10 days.

But John Sealy Hospital, where she is undergoing treatment for cancer, said she is in good spirits and attempting to take more nourishment even though she has "no appetite." It added "she is comfortable and there are no added complications."

Second Division Clubs To Tell Fate of Reds, Braves and Dodgers

By THE ASSOCIATED PRESS
This may be the scariest National League pennant race yet. With four weeks to go, it's a three-way scrap among Milwaukee, Cincinnati and Brooklyn — but the teams to beat are St. Louis, Chicago, Pittsburgh and Philadelphia.

The gimmick lies in what's left of the schedule—plus an odd similarity of records to date and the weather in Philadelphia and Milwaukee.

You can toss in Brooklyn weather, too. Rain postponed the Dodgers' game with the New York Giants Thursday night, the only contest scheduled in the NL.

Milwaukee and Cincinnati each have two games left with Brooklyn, all four at Ebbets Field, while meeting each other once, at that more or less leaves the winning of the pennant up to the games with the rest of the league — and here's how the many-sided gimmick works:

The first place Braves have two series and seven games left with a 1st-place Chicago. The second place Redlegs, meanwhile, play seven games in two series with fourth-place St. Louis. And the third place Dodgers play seven against sixth place Pittsburgh in two series.

Oddly enough, the Braves are 9-6 for the season against the Cubs—and the Redlegs are 9-6 vs. the Cardinals, and the Dodgers 9-6 vs. the Bucs.

Because of an earlier rainout, the Braves have a four-game series remaining in Philadelphia against the Phillies—only club in the league with an edge 10-8 over Milwaukee. Rain in Philly also leaves the Redlegs with a four-game set there—a pair of consecutive twilight doubleheaders that wraps up a season series standing at 9-9 at the moment.

Next Thursday, the Braves play an "extra" game at Pittsburgh—starting from scratch on the 1-1 tie caused by rain in Milwaukee last week.

The Braves, who play all but three of their remaining games away from home, open a 14-game trip and four-game series at Chicago today with Brooklyn the next stop. Cincy, after taking three of four in Milwaukee, starts on the last 13 games of a roadtrip with the opener of a three-game series at St. Louis tonight. The Redlegs play 15 of their remaining games on the road.

And the Dodgers, who were 3-2 in a five-game, three-day series against New York at the Polo Grounds last weekend, try again to open a four-game set with the Giants tonight. This time, following the rainout, it's a twilight doubleheader—the only twinnbill on scheduled at the moment for the Brooks, who play 17 of their remaining games at home.

It will be the 18th doubleheader of the year for the Brooks — who have swept only five, split six and lost six. Milwaukee, with two twinbills remaining, has swept nine, split five and lost one so far. The Redlegs, who have swept eight, lost one and split eight, have three to go.

Carter Favored To Top Summerlin

NEW YORK (AP)—Harold Carter and Johnny Summerlin, two of the better young heavyweights of a drab collection of contenders, clash in a return bout at Madison Square Garden tonight with Carter an 8-5 favorite.

The 10-rounder will be broadcast and telecast at 9 p. m.

In their first fight in Detroit, May 23, Carter, subbing on five days notice for injured Bob Satterfield, dropped a unanimous 10-round decision to Summerlin, a 24-year-old ex-soldier.

New York's magic number is 13 — any combination of Yankee victories and Cleveland losses totaling 13 clinches the flag — and Mickey Mantle, with 47 home runs, is two behind Babe Ruth's record-60 pace of 1927 as the Yankees open at home against Washington tonight.

Chicago's at Cleveland tonight, Boston is at Baltimore for a twinnight pair and Detroit's at Kansas City.

Only two games were scheduled Thursday. Washington, scoring six in the fifth with Jose Valdivielso hitting a three-run homer, defeated Baltimore 7-5. And the Detroit Tigers defeated the Kansas City Athletics 6-0 in a night game with Frank Lary spinning a four-hitter and Ray Boone, Red Wilson, Wayne Belardi and Charlie Maxwell hitting home runs.

The University of Wyoming football team has 21 lettermen from the 1955 team.

Two Linemen Out Temporarily

Lions Work on Offense For Opener Next Friday Defense To Come Next

Emphasis has been on offense at the last three practice sessions of the WHS Lion football squad, but Coach Fred Domenico said that, if everything moves along according to plan, it will shift to defense when the boys get together at the practice field on Circle Ave. Saturday morning.

Drills on the offense have been along two lines: 1. timing and coordination of backfield and line for straight football and 2. punting, place kicking and passing.

John Bainter, chunky little 145-pound captain and quarterback, is the team's No. 1 punter and passer right now.

Bainter, Mike Lawrence, a full-back, and Bob Huff, who alternates between guard and linebacker, have been filling the air with footbells as they worked on place kicking accuracy. Domenico is determined that the Lions lose no games by a single point for lack of place kicking if it can be avoided by practice.

Bainter's understudies for the WHS aerial attack are Chuck Hirt, 131-pound sophomore and John Campbell, 5 foot 10 inch, 145-pound freshman. All three are quarterbacks.

FRONT LINE receivers are the No. 1 end candidates, Eldon Brown, 5 foot 10 inch, 168 pounds, and Arnold Ward, 5 foot 8 inch, 155 pounds. Both have had experience and will be hard to dislodge from their present positions.

Two linemen, on whom Coach Domenico had counted, may be on the bench for the opening game with Linden — McKinley's Panthers here next Friday.

Lucas is out, at least temporarily, with a wrist injury and Larry Slavens is nursing a bad hand. The injuries were received some time ago, the coach explained, but since they have been getting no better, he said he wanted to give them time to get back in

Palmer, Hawkins Pace Akron Tourney

AKRON (AP)—The sixth annual Rubber City Open Golf Tournament went into its second round today with Arnold Palmer of Latrobe, Pa., and Fred Hawkins of El Paso, Tex., leading the field by one stroke with five-under-par 67s.

Bunched behind them with 68s in the 72-hole medal competition were Jimmy Demaret, three-time Masters' champion from Kiamesha Lake, N. Y.; Bob Liehardus of Hillside, N. J.; and Don Fairfield of Casey, Ill.

Dow Finsterwald of Athens, who put together a 34 and 36, was among eight bunched at 70.

shape before the start of the South-central Ohio (SCO) League scramble, which is to get under way with Greenfield's Tigers here on Oct. 5.

Jack Anders and Paul Cox are making the strongest bids for their replacements, but Bill Van Voorhis looked so good in Thursday afternoon's workout that Coach Domenico said he would now have to be considered one of the chief contenders for a starting berth, too.

Coach Domenico was not overly optimistic after Friday's workout. Neither was Backfield Coach Dick Filbin. They agreed the Lions had a long way to go before they become a smoothly functioning gridiron machine. . . . and there is only a week in which to get it all oiled up for the Panthers from Columbus.

However, they admitted that progress should be better during this coming last week of preparation, since the Lions have spent the last three weeks laying the groundwork with drills on the fundamentals.

Six pitchers still active in the American League have struck out more than 1,200 batters during their careers. They are Bob Feller, Warren Spahn, Virgil Trucks, Early Wynn, Robin Roberts and Bob Lemon.

Lemon Aiming At His 200th Pitching Win

CLEVELAND (AP)—This may be the night that Robert Granville Lemon, the Cleveland Indians' easy-going sinker ball specialist, wins the 200th victory of his major league career.

Lem, carrying a current season record of 18 won 11 lost, pitches against the Chicago White Sox, whose moundman will be Jack Harshman, a tough adversary for the Tribe this season.

In all big league baseball history, only 56 pitchers have won 200 or more games, and since 1900, considered the starting point for the modern game, only 35 have turned the trick.

Of the active pitchers, only two hold the distinction of having won more than 200. Both are teammates of Lemon—Bob Feller with 266 and Early Wynn with 217. Warren Spahn of the National League Milwaukee Braves has 199, and none of the other present-day hurlers is very close.

California-born Lemon, who will be 36 two weeks from Saturday, got a late start as a pitcher, but then moved fast. He will hit 200 in shorter time than either Feller or Wynn. If he gets 20 triumphs this season, it will be the seventh time he has been in that elite group of top hurlers.

For six years Lemon played professional baseball, then he put in three more years in the Navy before he became a pitcher. He played third base, shortstop and outfield in Springfield, Mass.; Os-

Bobo Sidelined By Ouchy Ankle

COLUMBUS (AP)—Hubert Bobo, back in an Ohio State uniform after a year's ineligibility, is out again—temporarily — this time with a sprained ankle.

Bobo, fullback sensation of two seasons ago, is expected to be sidelined for at least a week as a result of the injury in Thursday's practice session. Coach Woody Hayes had shifted Bobo to right end at the opening of practice.

Another injury Thursday is expected to keep Ken Thompson, second team right halfback from Dayton, out for a week. Thompson suffered a pulled tendon.

Also-Rans Seen Holding Key to NL Flag Race

Second Division Clubs To Tell Fate of Reds, Braves and Dodgers

By THE ASSOCIATED PRESS
This may be the screwiest National League pennant race yet. With four weeks to go, it's a three-way scrap among Milwaukee, Cincinnati and Brooklyn — but the teams to beat are St. Louis, Chicago, Pittsburgh and Philadelphia.

The gimmick lies in what's left of the schedule—plus an odd similarity of records to date and the weather in Philadelphia and Milwaukee.

You can toss in Brooklyn weather, too. Rain postponed the Dodgers' game with the New York Giants Thursday night, the only contest scheduled in the NL.

Milwaukee and Cincinnati each have two games left with Brooklyn, all four at Ebbets Field, while meeting each other once, at that more or less leaves the winning of the pennant up to the games with the rest of the league — and here's how the many-sided gimmick works:

The first place Braves have two series and seven games left with a 1st-place Chicago. The second place Redlegs, meanwhile, play seven games in two series with fourth-place St. Louis. And the third place Dodgers play seven against sixth place Pittsburgh in two series.

Oddly enough, the Braves are 9-6 for the season against the Cubs—and the Redlegs are 9-6 vs. the Cardinals, and the Dodgers 9-6 vs. the Bucs.

Because of an earlier rainout, the Braves have a four-game series remaining in Philadelphia against the Phillies—only club in the league with an edge 10-8 over Milwaukee. Rain in Philly also leaves the Redlegs with a four-game set there—a pair of consecutive twinght doubleheaders that wraps up a season series standing at 9-9 at the moment.

Next Thursday, the Braves play an "extra" game at Pittsburgh—starting from scratch on the 1-1 tie caused by rain in Milwaukee last week.

The Braves, who play all but three of their remaining games away from home, open a 14-game trip and four-game series at Chicago today with Brooklyn the next stop. Cincy, after taking three of four in Milwaukee, starts on the last 13 games of a roadtrip with the opener of a three-game series at St. Louis tonight. The Redlegs play 15 of their remaining games on the road.

And the Dodgers, who were 3-2 in a five-game, three-day series against New York at the Polo Grounds last weekend, try again to open a four-game set with the Giants tonight. This time, following the rainout, it's a twinght doubleheader—the only twinght on scheduled at the moment for the Brooks, who play 17 of their remaining games at home.

It will be the 18th doubleheader of the year for the Brooks — who have swept only five, split six and lost six. Milwaukee, with two twinghts remaining, has swept nine, split five and lost one so far. The Redlegs, who have swept eight, lost one and split eight, have three to go.

Carter Favored To Top Summerlin

NEW YORK (AP)—Harold Carter and Johnny Summerlin, two of the better young heavyweights of a drab collection of contenders, clash in a return bout at Madison Square Garden tonight with Carter an 8-5 favorite.

The 10-round will be broadcast and telecast at 9 p. m. In their first fight in Detroit, May 23, Carter, subbing on five days notice for injured Bob Starterfield, dropped a unanimous 10-round decision to Summerlin, a 24-year-old ex-soldier.

New York's magic number is 13 — any combination of Yankee victories and Cleveland losses totaling 13 clinches the flag — and Mickey Mantle, with 47 home runs, is two behind Babe Ruth's record-60 pace of 1927 as the Yankees open at home against Washington tonight.

Chicago's at Cleveland tonight, Boston is at Baltimore for a twinght pair and Detroit's at Kansas City.

Only two games were scheduled Thursday. Washington, scoring six in the fifth with Jose Valdivieso hitting a three-run homer, defeated Baltimore 7-5. And the Detroit Tigers defeated the Kansas City Athletics 6-0 in a night game with Frank Lary spinning a four-hitter and Ray Boone, Red Wilson, Wayne Belardi and Charlie Maxwell hitting home runs.

The University of Wyoming football team has 21 lettermen from the 1955 team.

Two Linemen Out Temporarily

Lions Work on Offense For Opener Next Friday Defense To Come Next

Emphasis has been on offense at the last three practice sessions of the WHS Lion football squad, but Coach Fred Domenico said that, if everything moves along according to plan, it will shift to defense when the boys get together at the practice field on Circle Ave. Saturday morning.

Drills on the offense have been along two lines: 1. timing and coordination of backfield and line for straight football and 2. punting, place kicking and passing.

John Bainter, chunky little 145 pound captain and quarterback, is the team's No. 1 punter and passer right now.

Bainter, Mike Lawrence, a full-back, and Bob Huff, who alternates between guard and linebacker, have been filling the air with footballs as they worked on place kicking accuracy. Domenico is determined that the Lions lose no games by a single point for lack of place kicking if it can be avoided by practice.

Bainter's understudies for the WHS aerial attack are Chuck Hire, 131 pound sophomore and John Campbell, 5 foot 10 inch, 145 pound freshman. All three are quarterbacks.

FRONT LINE receivers are the No. 1 end candidates, Eldon Brown, 5 foot 10 inch, 168 pounds, and Arnold Ward, 5 foot 8 inch, 155 pounds. Both have had experience and will be hard to dislodge from their present positions.

Two linemen, on whom Coach Domenico had counted, may be on the bench for the opening game with Linden — McKinley's Panthers here next Friday.

Jim Lucas is out, at least temporarily, with a wrist injury and Larry Slavens is nursing a bad hand. The injuries were received some time ago, the coach explained, but since they have been getting no better, he said he wanted to give them time to get back in

Palmer, Hawkins Pace Akron Tourney

AKRON (AP)—The sixth annual Rubber City Open Golf Tournament went into its second round today with Arnold Palmer of Latrobe, Pa., and Fred Hawkins of El Paso, Tex., leading the field by one stroke with five-under-par 67s.

Bunched behind them with 68s in the 72-hole medal competition were Jimmy Demaret, three-time Masters' champion from Kiamesha Lake, N. Y.; Bob Liehardus of Hillside, N. J.; and Don Fairfield of Casey, Ill.

Dow Finsterwald of Athens, who put together a 34 and 36, was among eight bunched at 70.

Lemon Aiming At His 200th Pitching Win

CLEVELAND (AP)—This may be the night that Robert Granville Lemon, the Cleveland Indians' easy-going sinker ball specialist, wins the 200th victory of his major league career.

Lem, carrying a current season record of 18 won 11 lost, pitches against the Chicago White Sox, whose moundsman will be Jack Harshman, a tough adversary for the Tribe this season.

In all big league baseball history, only 56 pitchers have won 200 or more games, and since 1900, considered the starting point for the modern game, only 35 have turned the trick.

Of the active pitchers, only two hold the distinction of having won more than 200. Both are teammates of Lemon—Bob Feller with 266 and Early Wynn with 217. Warren Spahn of the National League Milwaukee Braves has 199, and none of the other present-day hurlers is very close.

California-born Lemon, who will be 36 two weeks from Saturday, got a late start as a pitcher, but then moved fast. He will hit 200 in shorter time than either Feller or Wynn. If he gets 20 triumphs this season, it will be the seventh time he has been in that elite group of top hurlers.

For six years Lemon played professional baseball, then he put in three more years in the Navy before he became a pitcher. He played third base, shortstop and outfield in Springfield, Mass.; Os-

Bobo Sidelined By Ouchy Ankle

COLUMBUS (AP)—Hubert Bobo, back in an Ohio State uniform after a year's ineligibility, is out again—temporarily — this time with a sprained ankle.

Bobo, fullback sensation of two seasons ago, is expected to be sidelined for at least a week as a result of the injury in Thursday's practice session. Coach Woody Hayes had shifted Bobo to right end at the opening of practice.

Another injury Thursday is expected to keep Ken Thompson, second team right halfback from Dayton, out for a week. Thompson suffered a pulled tendon.

wego, N. Y., New Orleans, Wilkes-Barre and Baltimore before he came to Cleveland near the end of the 1942 season. The next three seasons he spent in the Navy.

The camera has been necessary to decide the winner of 10 out of the 19 runnings of the Widen er handicap at Hialeah. In 1955 Nashua nosed out Social Outcast and Sailor in a photo finish.

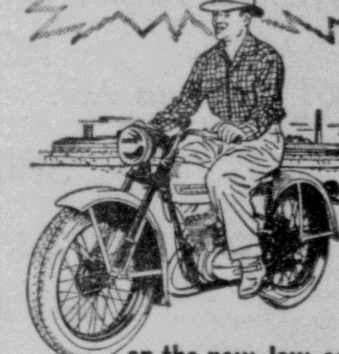

The Cincinnati Redlegs have renewed their working agreement with Seattle in the Pacific Coast League.

Mailman in Utah Handed Honorary 'Doctor of Letters'

SALT LAKE CITY (AP)—Arthur A. Aamodt, who has carried mail at the University of Utah campus for seven years, had a delegation of university officials waiting for him when he approached the campus Thursday.

Led by Dr. Henry Eyring, dean of the graduate school, they presented the surprised Aamodt with an honorary "Doctor of Letters degree," in recognition of what Eyring hailed as his major study in transportation and engineering with a minor in applied psychology.

The degree was just a gag, but Eyring thought it was as good a way as any to call attention to "Dr." Aamodt's performance: at an average of 5,000 pieces of mail delivered to the school daily, Eyring noted, Aamodt has now carried a total of 10 1/2 million pieces.

New Kent Dorm To Honor Dean

KENT (AP)—The board of trustees of Kent State University has named the new women's dormitory under construction here Blanche A. Verder Hall in honor of the first woman to hold the title of dean of women at the university. Miss Verder died in February, 1953.

LEGAL NOTICE

No. 21132
In the Court of Common Pleas, County of Fayette, State of Ohio.
Earl Mayers Plaintiff,
vs.
Darl Alexander, Alma Alexander and C. A. Barnhart Defendants.
The Barnhart Oil Company Defendant.

Alma Alexander whose place of residence is unknown and cannot be ascertained will take notice that on the 28th day of May, 1956, the undersigned, Earl Mayers, filed his petition in the Court of Common Pleas of Fayette County, Ohio, alleging that on the 21st day of March 1956, he recovered a judgment against Darl Alexander and Alma Alexander for \$753.39 and costs case 22100; that execution was issued on said judgment and returned by the Sheriff of Fayette County unsatisfied; that Darl Alexander and Alma Alexander are the owners of the following described real property situated in Fayette County, Ohio, and in the City of Washington Court House, Ohio: Beginning at a stake in the north line of Rawlings Street, corner to a lot owned by John Logan and 82 1/2 feet west of a lot owned by Robert Bryson; thence in a northerly direction with said Logan's line 165 feet to a stake, corner to said Logan; thence in a line parallel with a 1/4 of Rawlings Street and in a southerly direction with said Logan's line about 135 feet to a stake in the line of a tract of land formerly owned by A. Phelps; thence with the line of said Phelps tract about 40 feet to a stake in the line of Rawlings Street; thence in a northerly direction about 60 feet to the place of beginning.

That for want of personal property upon which a levy was made upon said real property to satisfy judgment but said real property cannot be sold as the Barnhart Oil Company claims a lien or a right in said property.

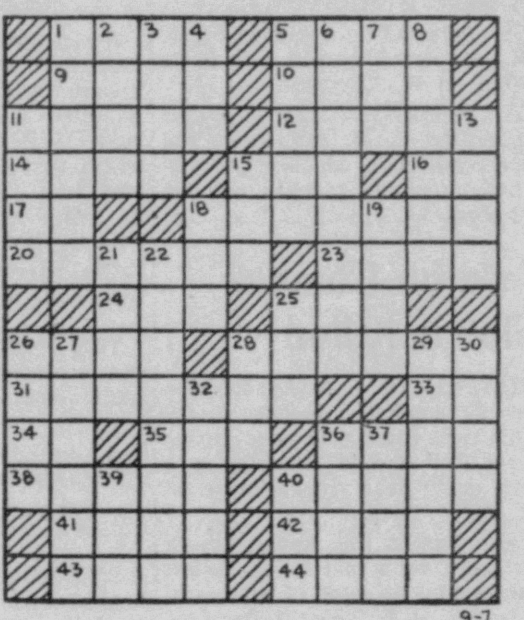

Wherefore the plaintiff Earl Mayers prays that the Barnhart Oil Company be compelled to set up its interest in any, in said property or be forever barred; that said real property of Alma Alexander and Darl Alexander be sold and the proceeds distributed among the claimants according to their respective priorities, and for such other relief as the plaintiff may be entitled to.

The defendant, Alma Alexander is required to answer said Petition on or before the 28th day of September 1956.

Dr. H. L. Little Dies Suddenly

Services Monday For Veterinarian

Dr. H. L. Little, 70, a veterinarian who served the Jeffersonville community for 38 years and imported the first Brahma cattle in Ohio, died suddenly of a heart attack at his home in Jeffersonville at 3:15 p. m. Thursday.

Dr. Little had driven to Jamestown to visit his daughter, and had returned home and sat down, dying a few minutes later of coronary occlusion.

Dr. Little was a native of Greene County, but had spent most of his life in the Jeffersonville community, retiring in 1944 after 38 years in the practice of veterinary medicine. He was a landowner, farmer and breeder of Brahma cattle.

Dr. Little graduated from Ohio State University in 1907. He was a member of the Ohio Veterinary Medicine Assn., Jeffersonville Masons and Knights of Pythias and the Methodist Church in Jeffersonville.

SURVIVING are his widow, Mrs. Cora Little; two sons, Alvin G. Little and Dr. R. D. Little, of Jeffersonville; three daughters, Mrs. William P. Spriggs, near Jamestown; Mrs. Rembert Wuritzer, New York City, and Mrs. Gordon Brude, North Carolina. There are seven grandchildren and several nieces and nephews.

Services will be held at the Alvin G. Little Funeral Home in Jeffersonville at 2 p. m. Monday, and burial will be made in the Washington C. H. Cemetery. The Rev. C. R. Williamson of the Jeffersonville Methodist Church will conduct the services.

Friends may call at the funeral home after 6 p. m. Saturday.

Legion Plans New Crusade Against Reds

LOS ANGELES (AP)—The American Legion set out today on a new crusade against communism after hearing a pledge by newly elected national Commander Wilbur C. Daniel to fight its "despotic evils."

The Legion wound up its national convention Thursday night by electing Daniel, a 42-year-old Navy veteran, to the highest office of the 2,800,000-member organization. Earlier, the convention heard Vice President Nixon call "the struggle against world communism the greatest challenge that free man ever faced."

Daniel told the convention in his acceptance speech his administration would be dedicated to "elimination of subversive and other elements constantly at work seeking to undermine and destroy the freedoms that all patriotic Americans cherish and hold dear."

Daniel, a textile manufacturing company personnel director from Virginia who climbed steadily through the Legion's elective ranks since 1944, won his race for the national commandship over Charles M. Blackburn of Versailles, Ky. Daniel polled 3,024 votes, Blackburn 114.

They were: Waldo McClure, 18, Greenfield, reckless operation, \$10 and costs; One plain drunk, \$10 and costs; Ethel Dixon, Columbus Avenue, failing to yield right of way Aug. 29, \$5 and costs;

Marjorie Lee Shaffer, \$10 and costs for running stop sign; Lawrence Schreck, \$20 and costs for failure to yield right of way Sept. 1;

Ralph Self, 20, Route 3, Mt. Sterling, \$25 and costs for reckless operation;

Sylvester A. Road, 29, Danville, Ky., forfeited \$25 bond posted for crossing a yellow line;

George T. Terflinger, 36, Route 3, Mt. Sterling, forfeited \$50 bail on a disorderly conduct charge.

Jury Disagrees In DWI Trial In Court Here

The trial of John Everett Miltstead, city, in Municipal Court, on a driving while intoxicated charge, ended at 10 o'clock Thursday night when the jury reported it could not agree on a verdict and was dismissed by Judge Max G. Dice.

The charge was filed about three months ago by State Highway Patrolman R. R. Sheline.

The case went to the jury after 9 a. m. and an hour later the jury reported it was hopelessly deadlocked and was dismissed by Judge Dice.

The case dragged along throughout the day, with City Solicitor William Junk representing the state and J. Harvey Crow the defendant.

The jury was composed of Paul E. Pennington, Frank Thatcher, George W. Fogle, James Chakares, Hazel Crockett, Lorie Philhower, Arnold Rogers, Gladys Hays, Willard McLean, Virginia Perrill, David Fabb and Beverly G. Harper. The case may be retried.

Factory Is Scene Of Twin Slaying

COSHOCKTON, Ohio (AP)—The reception room of the Indianapolis Glove Co. was the scene of a shooting Thursday in which police said a 30-year-old man killed a seamstress at the plant before putting a bullet through his own heart.

Police said Charles H. Stiteler used a pistol to shoot Miss Stella Guillems, 24, twice in the chest and once through the heart. Stiteler, divorced and the father of three, had been rooming at the home of Miss Guillems and her parents, police reported.

The shooting climaxed an argument over domestic difficulties and money, police said. Coroner Dr. J. C. Briner ruled murder and suicide.

Only 39 of the 273 species of snakes found in the U. S. are poisonous.

John Godfrey Fund Now Up to \$1,000

The \$1,000 mark has been reached in the drive to save the home of John Godfrey from his creditors.

This report was made by Mrs. Florence Park after some of the collection cans in business establishments had been emptied and counted. It was the money from the cans, plus the mail contributions, which have come in during the past 11 days that made this total.

The proceeds from the Vets benefit program Thursday night in the high school auditorium have not been counted yet, said Mrs. Park, one of the John Godfrey Fund committee members.

A collection to boost the fund will be taken up at the Washington Speedway this Saturday night.

Mail contributions are still coming in, Mrs. Park said. Contributions to the John Godfrey Fund may be sent to her home at 317 S. Elm or to the First National Bank, where an account has been established.

Friends of Godfrey started about two weeks ago to raise money to help him take care of his debts when loss of his home first seemed imminent. Contributors have said they remember the times when he had helped them through his generosity.

He had a shoe store and repair shop on Rose Ave., for many years.

Last Rites Held For Mrs. Wilson

Services were held at 2 p. m. Thursday in the Gerstner Funeral Home for Mrs. Stella Wilson, 77, wife of Ernest Wilson, who died Tuesday in her home, 414 N. North St. The Rev. Don McMillin, pastor of the First Christian Church, read the Scripture and the hymn, "In the Garden," and paid a personal tribute to Mrs. Wilson.

Burial was in Washington Cemetery with Robert James, Fred Enslin, Harry Hamilton, Ray Hamilton, John Wilson and Chester Clay acting as pallbearers.

Mrs. John F. Cherry Services Saturday

Funeral services for Mrs. John F. Cherry will be held Saturday at 10:30 a. m. at the Hook and Son Funeral Home, and friends may call at the funeral home a any time.

Legion Auxiliary At Jeffersonville Elects Officers

Gold Star post of the American Legion Auxiliary at Jeffersonville, today is starting into another year under the guidance of its new officers, headed by Mrs. Florence Seibert the president.

The new officers, chosen at Thursday night's regular annual election meeting, were: Mrs. Seibert, president; Miss Margaret Smith, first vice-president; Mrs. Edith Houseman, second vice-president; Mrs. Frances Walls, secretary; Mrs. Pearl Wiseman, treasurer; Mrs. Bess Wright, sergeant-at-arms; and Mrs. Silvia Christopherson, chaplain.

The new officers were installed following the election by Mrs. A. E. Kemp.

The meeting, which was held in the Hall, was opened in ritualistic form and then a short business session was held to hear the reports of the secretary and treasurer. The yearly report of the auditing committee also was made before the Auxiliary got down to the business of selecting its new officers.

Refreshments were served at the Home Restaurant following the meeting.

Funeral Is Held For Daniel Smith

Funeral services were held for Daniel L. Smith at 2 p. m. Thursday in the Church of Christ in Christian Union in New Holland.

The Rev. Arthur George offered prayer, read from the Scripture and a memoir and delivered a sermon. Mrs. George sang "Beckoning Hands" and "We Shall Meet Beyond the River." She played her own accompaniment.

The pallbearers, who also cared for the flowers, were Willard Smith, Kenneth Williams, Willard Jones, Thomas Jones, Alden Jones and Jack Leonard.

23 Building Permits Are Issued in August

Twenty-three permits for \$86,800 worth of building were issued in Washington C. H. during August records in the city auditor's office showed.

The permits were for construction that ranged all the way from porch additions to the new Ohio Bell Telephone Co. office building on E. Court St.

Five residence permits, totaling \$51,000 were issued. The biggest permit was for \$18,000, the smallest, \$6,000.

The largest permit was for the building of the Ohio Bell offices. It was issued to Bud Brownell.

The Pure Oil Co. received a permit for a new ice house next to its station on W. Court St.

The records also show that nine Washington C. H. residences will have remodeling additions, mostly in baths, five new garages, and one tool shed.

Veteran Combat Pilot Is Killed

DAYTON, Ohio (AP)—A pilot who flew 58 combat missions in the China-India-Burma Theater during World War II died Thursday in a plane crash near Wright-Patterson Air Force Base.

Dead was Lt. Col. Robert Lowell Northrup, 40, a native of Yellow Springs and director of all-weather testing at Wright Air Development Center. He held the Distinguished Flying Cross and the Air Medal.

The Air Force said Col. Northrup's Sabre Jet crashed and burning in a cornfield while approaching a runway.

White Woman, Negro Mate Urged To Get Out of Texas

SAN ANTONIO, Tex. (AP)—A white woman and her Negro husband were advised by the district attorney Thursday to leave Texas because their mixed marriage is illegal in this state.

Dist. Atty. Hubert Green said he gave Mr. and Mrs. Ollie Brown Jr. this advice after a grand jury declined to take action on charges he presented to it.

The former Mary Zichterman, 22, and Brown, 21, met at Lackland Air Force Base where she was a WAF and he was a porter in the officer's club.

Green said he presented the case to the grand jury without recommendation after the couple admitted marrying at Nuevo Laredo, Mexico, in August 1955. He added that he told Brown's parents that "if the couple insisted on living together as man and wife to stay out of Texas."

The parents said they thought the couple intended to leave.

THE PENAL code provides a prison sentence of 2 to 5 years for participants of mixed marriages.

Marion Woman, 25, Is Victim of Polio

COLUMBUS (AP)—The state health department reports that a 25-year-old Marion woman has become the sixth polio fatality in Ohio this year.

Mrs. Patricia Phillips died in University Hospital where she was admitted last week. At this time last year, Ohio's polio fatality list had reached 20.

Atomic Fall-Out Forecasts Planned

WASHINGTON (AP)—The Weather Bureau said today it will make special public forecasts next week of the atomic fall-out that could be expected in event of an enemy attack on the United States.

The forecasts are made twice daily throughout the year. They will be made public at weather stations across the country as a part of the Sept. 9-15 Civil Defense Week observance.

WORRY AND INDIFFERENCE

★ Overanxiety, particularly about health, is a disease in itself. Physicians call it hypochondria. Those who "enjoy" ill health only make themselves and those about them miserable.

Opposed to chronic worry is complete indifference, to the point of disregard of common-sense health rules and contempt for medical care.

Between these two absurd extremes lies the sane middle road. Petty, transient discomforts need not cause grave concern and frequent trips to the doctor. When symptoms persist or recur with annoying frequency, it is then time to seek professional assistance. Indifference under these circumstances only invites more serious trouble.
